The book of Revelation has prophecies against Babylon, which was the old name of the nation of Iraq—Revelations Chapters 17, 18.

Israel is the nation most often mentioned in the Bible. But do you know which nation is second? It is Iraq! However, that is not the name that is used in the Bible. The names used in the Bible are Babylon, Land of Shinar, and Mesopotamia. The word Mesopotamia means between the two rivers. More exactly between the Tigris and Euphrates Rivers. The name Iraq means country with deep roots. Indeed, Iraq is a country with deep roots and is a very significant country in the Holy Bible.

This also is something to think about, since America is typically represented by an eagle. Saddam Hussein should have paid attention to this:

The following verse is from the Quran (the Islamic Bible)

**Quran (9:11)**—  
“For it is written that a son of Arabia would awaken a fearsome Eagle. The wrath of the Eagle would be felt throughout the lands of Allah, and lo, while some of the people trembled in despair still more rejoiced; for the wrath of the Eagle cleansed the lands of Allah; and there was peace!”
