

IS THE BIBLE FROM GOD?

“All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness.” 2Timothy 3:16

(this means that)...

All scripture was **inspired** by God to convince all mankind of the truth, and to teach us how to live a righteous life.

In the Bible, Job said, “He stretcheth out the north over the empty place, and hangeth the earth upon nothing.”

(this means...)

The earth is suspended in space without any support other than by the power of God.

QUESTION: How could Job have known that the earth hangs on nothing centuries before scientist discovered that fact?

In the Bible, Isaiah said, “It is He that sitteth upon the circle of the earth, and the inhabitants thereof are as grasshoppers;...” Isaiah 40:22

(this means...)

God is sitting so high above the circle of the earth that we all look like little grasshoppers to Him.

QUESTION: How could Isaiah have known that the earth was shaped like a circle long before there were scientists to come along and figure this out?
