

# JESUS IS THE ANSWER

Come close children, THIS is what Jesus wants from everyone... He wants a Relationship with us and He loves and treasures you so very much! He longs for you to spend regular time with Him talking to Him and loving Him and returning His love, because He died for your sins and He loves you so very much! More than He loves anything else in all of Heaven and Earth (He made you in His Image) and He wants to share it all with You and me! He says to us, "Fear not, Little Flock for it is your Father's good pleasure to Give YOU the Kingdom!" Luke 12:32

Don't you feel Special, Loved One? We can never Fathom the bottomless love of God...but we can develop a deeper and deeper relationship with Him and get to know Him more all the time as we fellowship with Him and read and ponder on His Holy Word, that He has provided for us. If you are wondering which Bible is the preserved, unaltered one that you can trust, it's the Authorized King James version and it's surprising easy to understand and so beautifully descriptive to read!

He has a plan for your life that He wants you to fulfill while you are here on Earth and He wants to prepare you for Heaven, too, so that you can live forever with Him! Doesn't that sound wonderful! Well, it is. and there is nothing you can imagine in your mind that is like it! First Corinthians says, "But it is written, Eye hath not seen, nor Ear heard, neither have it entered into the Heart of man, the things which God hath prepared for them that LOVE HIM."

All we have to do is love and obey Him in all things, and that's not hard when you really fall in love with Him. And you Will fall in love with Him when you spend enough quiet time in your secret place with Him regularly. You know, that He is the one person that you can confide in and trust that He will help you and not betray you...no never! No matter how bad the circumstances are you can trust that He will help you in His way and in His time, which is always right on time! He is never too late or too early and He's never wrong. He knows what is right for you at all times in your life and He will guide you if you turn to Him and just ask Him and learn through practice to rest in His care and have peace in your struggles, even though that might take some effort.

He promises that, He will keep you in perfect peace when your MIND is STAYED on Him, because you TRUST in HIM. Isaiah 26:3

When you lose that peace just keep saying that verse over to yourself (lots of self-talk) and other verses like "And the Peace of God which passeth ALL understanding shall keep your hearts and minds through Christ Jesus." Philippians 4:7

This is what Jesus wants for you: "Be anxious for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made Known unto God." Philippians 4:6

Put your hand in His and Trust Him with your life and let Him guide you.

Everyday when you get up, Say, Lord, put the desires of YOUR heart of what to do today inside of me, (words are so powerful!) and If you ask Jesus He will DO IT! And you will come to love what you are doing, as you go along and continue in following what He has planted in your heart. It will start out as a little seed and then germinate and grow and grow and you will find that His dreams are the same as your dreams! Because He put those dreams in your mind.

Nothing makes Him prouder and more excited then when you want to live your days and nights the way He wants you to, and to accomplish what He wants you to in your life.

And did you know that doing that will bring you great Joy and Contentment and you will be excited about your life, too? And the desire to live for Him and joy will spring up and as you keep living your life His way?

As you do this you will need the precious food of the Word of God to keep learning about Jesus and to stay on the path and really get to know Jesus.

Here's how to really get to know Him and about the way He wants you to live...READ YOUR BIBLE! That's the KEY to understanding Jesus and the way He wants you to think and act! Here's a tip, (Follow his example!) Again, The Authorized King James Version is the very best choice.

Please read your Holy Bible everyday if you can. The more you read it the more you will want to read it. You will get to the place where you won't be able to wait to sit down and read your Bible and see what precious nuggets-jewels you can find today on your treasure hunt for the exciting Truth and Guidance that's in there! The Bible is as important as our Necessary FOOD! Without it we are like children tossed to and fro upon the waves and without a compass and not knowing which direction is right.

When you do read The Word of God regularly you will anticipate getting to your secret place with Jesus so that you can spend time with Him as often as you can.

In fact, Jesus would like you to think of Him and talk to Him ALL day long...did you know that? He wants a relationship with you like a Best Friend because He IS your very best Friend! He is the way Maker! He will show you the way when there seems to be no Way if you just trust in Him and follow what He guides you to do. If you keep your mind and heart open you will be able to follow as Jesus leads. Its' not difficult...just do what you think is right that lines up with what the Word of God says.

If you haven't yet repented of your sins and surrendered your life to Jesus, I urge you to go get down on your knees and thank Him that you can have this wonderful gift of salvation and say a prayer like this:

"Lord Jesus, I come to You and humbly ask for your forgiveness for my sins and I thank you for dying on the cross for me. Please come into my heart and change me and help me not to sin. I give you my whole heart for the rest of my life I will follow only You. Please be my Savior and Friend Today. Thank you, Jesus. Amen."

Now, He is ever with you and you aren't alone in anything you do. Just put your hand in the One who calmed the seas, and leave it there! Don't drop His hand and He will keep you steady and calm and headed in the right direction. He will never drop your hand or let you fall. (Altho, it may not seem like it) If you feel like you are falling over the cliff...just know that Jesus won't let go of your hand. He will save you and put you back on solid ground if you will just hold onto Him. Don't give up or give in...Jesus has promised in His Word to take care of you.

About your prayers; When we are praying for something and the answers don't seem to be coming, don't give up, He IS going to answer and if He doesn't answer that just means that He has something better for you. But you can trust that Jesus will answer you in just the right way that's good for you and all concerned!

Jesus has promised that He will never leave you nor forsake you. Hebrews 13:5. That's a promise and Jesus never breaks His promises...Never! His Word is sure and true!

Even if sometimes you might get weary and Say, "Lord, when is the answer coming?" Keep trusting and do some self-talk telling yourself to be patient and wait on His wonderful promises, just a little longer and a little longer; say I can do it just a little longer, one day at a time because I know that You are helping me, Lord." "I can do All things thru Christ Who strengthens me!" Philippians 4:13

So, lets go on to live a joyful, victorious life even when we don't feel like it is at the time, and keep looking and trusting in Jesus and EVERYTHING will always work out for good!

"And we know that all things work together for GOOD to them that love God!" Romans 8:28

Always Remember, He loves YOU...Oh, How He loves you! Look up the song on U Tube, Oh How He loves us by Kim Walker and you will never want to stop hearing it.....you will be singing and rejoicing in His love as you sing with it!

My other favorite Worship song is Worthy is the Lamb by Hillsong. Listen to it much loved one...and you will find yourself worshipping and loving Jesus even more and you will be so thankful that He shed His precious blood for your sins so that you can have a home in Heaven when your work here on Earth is done!
