

ACTOR JOHN WAYNE'S TESTIMONY

Most know John Wayne as the actor. You may not know what happened to him before he died.

John Wayne was a big fan of minister Robert Schuller. He heard Dr. Schuller say on one of his programs that his daughter, Cindy, had been in a motorcycle accident and had to have her leg amputated.

John Wayne wrote a note to her saying:

"Dear Cindy,
Sorry to hear about your accident. Hope you will be all right."
Signed, John Wayne.

Signed, John Wayne.

The note was delivered to her and she decided she wanted to write John Wayne a note in reply.

She wrote:

"Dear Mr. Wayne,
I got your note. Thanks for writing to me. I am going to be all right because Jesus is going to help me. Mr. Wayne, do you know Jesus? I sure hope you do. I cannot imagine Heaven being complete without John Wayne being there. I hope, if you don't know Jesus, that you will give your heart to Him right now. See you in Heaven.
And she signed her name.

Just as Cindy had sealed the envelope and had written across the front of it "John Wayne", a visitor came into her room to see her.

He said to her, "Hey, what are you up to?" "I just wrote a letter to John Wayne, but I don't know how to get it to him", she replied.

"That's funny, he said, "I'm going to have dinner with John Wayne tonight at the Newport Beach Club! Give it to me and I'll be sure to get it to him."

She handed him the letter and he tucked it safely in his coat pocket.

There were twelve of them that night sitting around the table for dinner, laughing and carrying on. Cindy's friend happened to reach into his pocket, felt the letter and remembered his promise.

John Wayne was seated at the head of the table.

The guy pulled the letter out and said: "Hey, Duke, I was in Schuller's daughter's room today, she wrote you a letter and asked me to give it to you. Here it is." They passed it down to John Wayne and he opened it.

They went on joking around, when someone happened to look over at John Wayne. He was crying. One of them said: "Hey, Duke, what's wrong? He said (and can't you hear him saying it), "I want to read you this letter." He read the letter. Then he began to weep.

After a long pause he folded the letter and put it in his pocket. He stood up, pointed to the man who delivered those powerful words and said ...
