

Judgement after Death Not by Choice, Heb 9:27.

Heb 9:27 makes us understand that - it is appointed unto a man to die once, after this i.e. death, is judgement. This bible verse tells us that whether we like it, or believe it, or not, we all will definitely die, and definitely be judged. Though some people may determine how they die, the bottom line is that we will all die. On the contrary no one can determine who, where and when he would be judged.

Who Judges and what is judged?

God is the judge. He will judge the way we lived our lives, whether it be according to his laws. The purpose of his judgement is to determine who among men would inherit his kingdom (i.e. Paradise) and those like bad products would be cast into outer darkness, rubbish bins and into hell fire. Do you sleep with or have sex with a woman or man you are not married to, are you a drunkard, do you still, do you lie, do curse people, do you cheat, disrespect elders, envious, yahoo yahoo, etc (Gal 5:19-21).

God will judge you to HELL. For you to be judged to paradise, you must love Jesus and this is done by obeying his commandments John 14: 23, in fact you will begin to experience heaven on earth because the God of Heaven and Earth, and his son Jesus will from here on begin to live with you. When he dies, he does not have to wait too long in judgement because he is already known and he knows the judge.

How can I love and obey Jesus?

Nichodemus in John 3:1 asked this same question. It is impossible for you to love Jesus if you are not born again. Now this is a mystery. How can I born again, and why should I be. Since I have heard the message, and have decided to love him, I can just do it. While physically yes you can but you will realise that after having decided to stop sin and do good, you are back to the sin. This is because the part of you that is committed to committing sin is yet to die. The birth of a spiritual you automatically lead to the death of your old self. Your old self cannot be restrained from sin, because it is its nature. From dust had it come, and it must be attracted to all that is made from dust like fellow female or male sinners, things of the world such as paper money, cars, houses, alcohol etc John3:6.

But when you are spiritually born again, then all these things though they are still there, they will not move you to action of sin. Then it becomes easy for you to obey the commandments of Christ, which are spiritual. John 8:47 says only those of God hears him. All men became not of God since Adam disobeyed God in Eden. Man from then till now became dust and no longer a living spirit. *How Can I be Born Again to enter HEAVEN?* John 3:15, 18 says you must believe in Jesus; that he is the only begotten son of God. You must believe that you are a sinner and under the curse of death from God as was handed over to Adam in Gen 2: 23.

You must believe that Jesus was sent into the world to save you from your sin John 3:14, 17 and break the power of the curse which maketh you to sin and continually attract God's wrath. Secondly you must confess your believe as earlier written by speaking them out to Jesus as is in Rom 10:10 for you to receive salvation

. Sir and Ma, once you have done this, you are now born again. But the danger is not completely over because the Journey has just started. Fear not on this journey for the master guide i.e. Jesus is with you. To effectively relate with him on this journey to glory you must as a matter of urgency quickly go into any bible believing church as RCCG, Deeper Life, Mountain of Fire, Winners Chapel and Christ Embassy to be tutored from a baby Christian to an adult one. Our next edition shall feature why you need to grow from Baby to Adult Christian. Thank you and God bless you.

PS...Appliance Malfunction Analogy
A simple analogy of the above message is treated next. Imagine you manufactured a TV to receive messages from all over the world. For a certain reason, the TV disobeyed your instruction and stopped receiving messages from all over the world. It began producing sand. Since the opportunity of repair is open, you did not throw the TV away. However, 50 TVs that can receive messages worldwide must export to the presidency after a period of time. For all the TVs that came for repairs, you repaired, what about the ones that did not come. They must be cast away. Especially since new models are out and there are no places to keep the malfunctioning TVs. This is like the story of our lives. Please go for repairs today before it is too late. May you never be thrown away by the road side for LAWMA to first carry in the dirty truck before being dumped on the hill where bigger trailers will future compress and move you around. The choice is yours, decide today and God will back you up.
