

Prayer of the Unborn

I've started life so tiny and I'm growing every day.
It's amazing how You're forming me in every single way.
My parents heard my heartbeat and it's only now week three.
You have given me a heart and soul made so wondrously.
I'm in the dark and getting sleepy; but I move around.

I'm glad you made my ears- I am hearing many sounds.
My arms and legs are longer now. Mommy feels me too.
As You grow me daily, please draw mommy close to You.
The time is getting nearer now to when I shall be born.
Please give mommy strength if it is late or early morn.

Oh, the long awaited arms that will cover me in love.
May whoever holds me know that You are Creator from above.
Please forgive the people who have killed my fellowman.
They do not know that You alone create us with Your loving hand.
We are made in secret to be protected from outside.
But from sinful deeds we simply cannot hide.

You alone are mighty, and I am oh so small.
I will need to learn Your ways,for You are Lord of all.
If my parents cannot raise me and keep me as their own.
Please let me live anyway and find another home.

Psalm 139:14-15 says, "I will praise thee; for I am fearfully and wonderfully made: marvelous are thy works; and that my soul knoweth right well. My substance was not hid from thee when I was made in secret....."
