

## Time To Awake

Pilgrims came to worship  
God, over troubled sea;  
Aliens enter borders now and  
get so much for free.

Government thinks children  
should have freedom and a  
right.  
But God put parents to lead  
the home every day and  
night.

Wicked minds cannot discern  
that marriage is a vow to God  
between a man and wife.  
God's Word has left the  
scene and now there is no  
standard in our nation's moral  
life.

Killing babies in the womb, so  
they never get a kiss.  
How tragic, sad, and terrible  
that America has come to this.
