

No one....

Know One

No one ever died for you before.
No one has ever willingly taken the punishment you deserved.
No one ever rose to life, never to die again.

No one offers you an opportunity right this very moment in time to be free, completely forgiven.
No one was ever qualified to be a perfect sacrifice/substitute for another. 1

No one ever backs up his promise in such a way, and no one has ever or could ever possibly love you that much...

No one except One: Jesus the Christ!
No one else at all!

So what next?
Know One by faith.
