

# THE LITTLE WHEEL THAT CAUSED TROUBLE

“Let all things be done in charity (Love).” 1 Corinthians 16:14

Once there was a beautiful little car with four shiny wheels. The four wheels had a good time going places as long as they obeyed the steering wheel and went together. But one day one of the little wheels decided to do what it wanted to do without caring about the other wheels. When the steering wheel told it to turn right, it turned left. This jerked the other wheels and stopped the car. A truck had to come and take it to a garage.

When the little wheel saw the trouble that it had caused, it was very sorry and wanted another chance. So, after it was straightened out, it didn't think only of itself any more. Instead, it helped the other wheels go where the steering wheel wanted them to go together.

Sometimes we think we may do as we please. When we do so without caring about what happens to others around us, we cause a lot of trouble, and usually hurt ourselves, too. The Holy Bibles says, “None of us lives unto ourselves...”

There are always other people who are hurt or blessed by what we do.

To keep us going places together with those around us, we need a steering wheel. The best steering wheel we can have is Jesus, our Savior and Lord. He tells us in the Holy Bible "Let all things be done in Love." Love is caring about the people around us and caring about what happens to them.

Jesus cared very much about what would happen to us. That is why He obeyed His Father in Heaven, and even went all the way to the Cross for us. Now He wants us to care about others because we have His love in our hearts!

And here's a wonderful Secret: Caring about other people makes US Happy, too!

**Bible Reading for older children and adults: Romans 14:7-13**

**LET US PRAY:**  
Dear Jesus, Forgive us for often causing trouble by not loving and for wanting our own way. Please help us to love those around us, and learn your Ways by reading and keeping in our heart and mind, Your Holy Word. Thank you for loving us, and for dying for our sins. Amen.
