

*Living Soul*

*The living soul that God has Made  
His breath of life to us He Gave  
A life to live by His Design  
Displaying His love for all Mankind*

*His Son He gave a death to Die  
His Blood was shed for you and I  
Our sins He bore on Calvary's Hill  
The Father's plan was now Fulfilled*

*A judgment to face for all to See  
The sins of men that were not set Free  
Too late their cry for time has Passed  
The end has come the sentence at Last*

*An Eternity to endure where will you Be  
Heaven or Hell there's no in Between  
With Jesus Christ you'll be safe from Harm  
Or with Satan beyond in the gulf of Fire*

*The choice to make is yours and Mine  
To accept or reject the Creator Devine  
Like a thief in the night He's coming Again  
Will you watch and be ready or will you Abstain*

*Inspired by My Lord and Savior Jesus Christ  
To him I give all the Glory Honor and Praise*
