

MOMMY MAY I HAVE
A TALK WITH YOU?

Please don't hurt me, Mommy I am not able to live and have a life if you choose to end my life. See? I can move my fingers and I can move my toes, and suck my thumb. I have hiccups and I can hear and feel you near. I'm a real person! ... I'm a real person, Mommy!

I know you feel afraid and worried right now but You have so much to gain! If you let me live, I will be the sunshine of your life, and you will be so happy and thankful that you kept me living in your secret place; all cozy, safe, and warm.
