

Morning Dawns

*Morning Dawns, against a Blue Sky
Colors of Purple, Red, and Orange
Filling the scope of my Eyes*

*As the Sun breaks over the Horizon
Its Brilliant Light fills the Sky
If you continue to stare at It
You will most certainly go Blind*

*To see the Sunlight with the Human Eye
You must gaze unto a Moon Light Night
For the Moon reflects the Light of the Sun
And it all started when Time first Begun*

*I'm reminded of what the Bible Says
No one has seen the Father, no not at Anytime
For to gaze upon his Holy Presence
No mere Human would Survive*

*To see a Reflection of the Father
You don't have far to Seek
You merely only have to Look
To a cross called Calvary*

*Jesus said I am in the Father
And the Father is in Me
For He's a Reflection of the Father
And His matchless Love for You and Me*

*So if you want to know the Father
It's Jesus you must know Too
And if you Confess Him before Men
Your Life He'll change Too*

*So if you've tried to change your Life
And you're struggling with Sin and Strife
Stop trying and start trusting Him Today
For Victory in Jesus is the only Way*
