

*Most Important to Me*

*On a moonless cold star filled night  
Three men sat around the campfire light  
They all agreed there was much pain and strife  
So what would be their most important thing in life*

*The first man placed another log on the fire  
Then he thought and answered now let me see  
I think making lots of money  
Would be most important to me*

*The second man answered and said with a smile  
I think it might be my wife and my child  
But without money how difficult it would be  
So I guess making money is most important to me*

*They turned to the third man to see what he would say  
You men are foolish you have been lead astray  
The love of money will fail you today  
But the love of Christ is here to stay*

*Salvation, Redemption, HIS blood shed for me  
Mercy and Grace while hanging from the tree  
Longsuffering and Kindness can you now see  
Jesus Christ is the most important thing to me*

*For this reason I bow upon my knees  
Giving Glory, and Honor to the King of all Kings  
An eternal home in Heaven to worship HIM forever more  
He's standing and waiting to just open your hearts door*

*The one who created the stars above  
Is the one that I adore and truly do love  
His mercy and grace is honest and true  
And you'll find there is room at the cross just for you*

*Inspired by My Lord and Savior Jesus Christ  
To Him I give all the Glory Honor and Praise
