

## MY TESTIBONEY

I felt so sick and cold and alone. Every time I tried to move, I'd hear myself whimper in pain. And my babies...Now and then as I lay there on the side of the road I would feel one of them move, and I would be so sad! How were they ever going to be born and live a happy life? Cars just whizzed by as I lay there on the shoulder of the road. I was sure this night would never end and we were all going to die alone on the highway. I was thinking like this and starting to fall asleep when I heard the lady.  
"Oh, Elijah, look at her! I think she's pregnant!"

I opened my eyes slightly and tried to look at who was talking as she just knelt down by me and stroked my head.

"There, there Honey! You just take it easy. We are going to help you." Then I felt big, strong arms lifting me from the ground. As he did, I yelped!

"Oh, Ariella, seems like she has some broken bones, too. Who would do such a thing? Who would leave this poor helpless dog here to die on the side of the road?"

"I don't know Elijah, but let's get her right to the Chippewa Animal Hospital. Maybe, they can save her."

What followed is kind of fuzzy in my memory. I know these kind people put me in their car and I sort of fell asleep again. I remember all kinds of lights, and a lot of other people, mostly in white coats, surrounding me. Then, it all got dark again. When I finally woke up, it seemed like I had been sleeping for a very long time. I looked around and I saw a couple of other dogs and a few cats.

There was even a bird or two. I thought, "They look like they have had some problems, too." One of the cats had a big cast on her leg, and the dog next to me had bandages all around his head. After a little while, one of the people in the white coats came over to me.

"How are you today, Daisy? You're looking a lot better!"

I felt better, too. Oh, a little stiff, and a little weak but a lot better! Still, all I could do to answer the lady was lift my head and lick her hand. Funny, I thought she looked like she was going to cry when I did that. She wiped the bottom of her eye and continued.

"So, do you want to see your puppies, she asked?"

My puppies! I could hardly believe it! My puppies, my babies were alive! "I will go and get them, she said. Now, I really felt a burst of energy, but I still couldn't move very much.

My puppies! I could hardly believe it! My puppies, my babies were alive! "I will go and get them, she said. Now, I really felt a burst of energy, but I still couldn't move very much.

Nevertheless, when I saw the lady come back with the box, I lifted my head as high as I could! One by one, she took my babies and placed them next to me; it was like they knew me! Right away, they snuggled up and started drinking their milk. I was so happy and so thankful that we were all alive!

I stayed at that place for quite a while. Eventually the people there found good homes for all my babies; and then they found a home for me. I didn't know what to expect, but when my new master took me home I knew I was exactly where I was supposed to be.

My new master is a man who loves God, the One who made all of us in the first place. He actually knows God and he knows his Son, Jesus. You see, Jesus did a lot for my master. He had a pretty messed up life, too. In fact, he almost died himself, three times!

But Jesus saved him. He gave him a new life and hope for a better future. Just like me! So, now we go all around together and my master tells everybody our stories. First he tells them about me. How I was as good as dead but was rescued and given a new beginning. He tells them how I was hated and abused but now I am sooo loved and taken care of! I went on to win The Chippewa Canine Pet of the Year Award. And later I won a Most Beautiful Dog contest. Both times, I got all my shots for free, which was a big help to my master.

Pretty soon I am going to be on TV in a show called Pet Miracles, and I got free shots for doing that, too!

After he talks about me, my master tells his story, how Jesus gave Him a brand new life! He rescued him from destruction, and loves him and who has accepted him as a son! We both want everyone to know that there is Hope! God's eye in on the sparrow, and it was on me, and it was on my master! It's on everyone of you, too!

"For God so loved the world that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life. "For God sent not His Son into the world to condemn the world; but that the world through him might be saved!" John 3:16, 17

Why don't you ask Jesus to come into your heart and make it brand new? He will forgive your sins and show you how to be happy by trusting Him with your life, and everything in it! I know I am a dog, and God cares about dogs, but Jesus died for people, people like my master and people like you!

"Jesus said in John 3:3, Except a man be born again, he cannot enter the kingdom of God. If you would like to be born again you need to say something like this and mean what you are saying:

Dear Lord Jesus,  
I believe that you died on a cruel cross to save me from my sins and I thank you. Please forgive me now for all my sins, and come into my heart and change it so that I will be born again. I need you to be my Friend and Savior today. I surrender my life to you and I ask for you to fill me with your Holy Spirit, who will help me to love and obey you, and I will obey whatever your Holy Bible tells me to do.

Thank you, Jesus for accepting my confession of faith! Amen."
