

Anthony Carpenter's Testimony

My name is Anthony Carpenter. I was born 10-19-1986 in Bartlesville, Oklahoma. My mother and father divorced when I was 9 years old. My father raised me and my younger sister by himself. My father is a very good man who worked very hard to support his family and has always been there for me.

Due to my father working long hours I had a little more freedom as a teenager. I started hanging out with older friends in my neighborhood and started smoking pot at the age of 13 and continued from there at the age of 16. I really started to rebel. I wouldn't listen to anyone; I wouldn't come home when I was supposed to. I was kicked out of school time after time. My father tried to discipline me but I would just run away from home for weeks at a time.

I started getting into trouble and arrested. I was in and out of juvey up to my 18th birthday. Around that time, I really started to get into Meth. I was constantly running the streets, selling drugs, stealing, committing robberies, you name it I was doing it. I got caught on a gun case and was sent to prison for one year. I was out within a few months, did good for a few months then it was right back to the Meth and the same old life style. It only took a few months and my probation officer had me sent back to prison. But once again I was only in a few months then right back to the streets.

My first child was born just a few weeks after me coming home. I loved my wife and I loved my child but truth be told I was the same old me, doing dope, running the streets, I was the most selfish person you would ever meet. My second child was born 13 months

later and that didn't slow me down. My wife was so good to me. She only wanted me to do right and for us to raise our family together. She tried and tried to get me to live right. I loved my family more than words can explain but at that time of my life I was lost in life. I was a drug addict that only cared about me, me, me.

In 2011 I was sentenced to three 10 year sentences. I couldn't run anymore. I couldn't run from the truth, I couldn't run from the pain and I couldn't run from God anymore.

In 2013 after being in prison for a few years, I was still sick, I was still doing drugs, I was still living the same life that cost me it all. I couldn't take it anymore. I fell before God and finally let it all go. I mean I let it all go and from that day on I have lived as a new man. I live for a purpose. I have a purpose and that is to serve my God Jesus Christ with all I know each day.

I hope this testimony has been a blessing to you. If you would like to read how others have experienced the life transforming power of God please write to me at the address below. The Roman Road

I had a pretty good opinion of myself until a friend invited me to take a walk down the Roman Road. He used a single book in the Bible to open my eyes to my relationship with God, and I haven't been the same since. He warned me that the trip might hurt, and he was right because he started by revealing my real status before God.

For all have sinned, and come short of the glory of God. **Romans 3:23**

Then I learned of sin's penalty.
For the wages of sin is death ...
Romans 6:23a

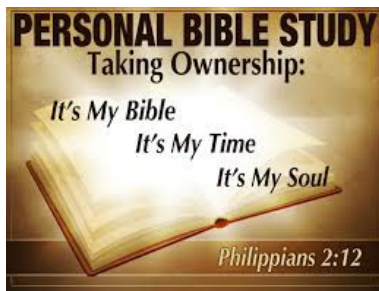

He went on to tell me that God loves me so much he offers an alternative called "Eternal Life" ...but the gift of God is eternal life through Jesus Christ ... **Romans 6:23b.**

Then he showed me how God provided his son Jesus as a atoning Sacrifice for my sin. Jesus took my penalty! But God commendeth his love toward us, in that while we were yet sinners, Christ died for us. **Romans 5:8.**

I wondered if God would accept me. He assured me with even more good news. For whosoever shall call upon the name of the Lord shall be saved... **Romans 10:13**

My friend showed me what I should do to receive Eternal Life. That if thou confess with thy mouth the Lord Jesus, and believe in thine heart that God raise him from the dead, thou shall be save ... **Romans 10:9**

We prayed together, and I gladly accepted God's gift of Eternal Life through Jesus Christ.
