

## MONEY IS NOT ALL!

A man reached 70 years of age and was affected by a disease which made him unable to urinate.

His Doctors told him that he needs an operation to cure the disease.

He agreed to do the operation as the problem was giving him severe pain for days.

When the operation was completed, the doctor gave him a bill which covered all the costs.

After looking at the bill, the man started crying. Upon seeing this, the doctor said "If the cost is too high then we could make some other arrangements for you."

The old man replied, "I am not crying because of the money, but I am crying because God let me urinate for 70 years and He never sent me a bill!"

Beloved, have you thanked God for His countless blessings today?

Have you thought about the cost of oxygen in the hospital? Yet, God has given us free oxygen (air) since we were born.

Can we not see that God is so gracious, merciful and full of compassion?

If you are truly grateful to God for your life, share this message with others, not because you expect a blessing but because you are grateful.

Tell & show God u are grateful.

I'm grateful!!!
