

STAY IN THE WORD

As you therefore have received Christ Jesus the Lord, so walk in Him, rooted and built up in Him and established in the faith, as you have been taught, abounding in it with thanksgiving. - Colossians 2:6-7

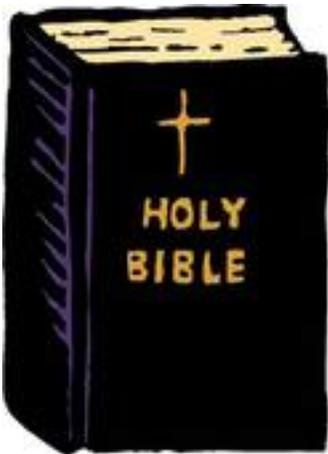

By now you should know the importance of controlling your thinking and adjusting your mind to the truth of God's Word.

One of the most important truths you must have learned is that Satan is on your case every day trying to trick you out of God's blessings.

You need God's blessings if you are going to live the life God wants for you. So how will you ensure that Satan does not rob you of your blessings?

You need to read and re-read the positive truths of God's Word and drill the principles into your mind so that Christ may dwell in your heart.

You need to read and re-read the positive truths of God's Word and drill the principles into your mind so that Christ may dwell in your heart.

The Bible says in Ephesians 3:17-19, "That Christ may dwell in your hearts through faith; that you, being rooted and grounded in love, may be able to comprehend with all the saints what is the width and length and depth and height to know the love of Christ which passes knowledge; that you may be filled with all the fullness of God."

You cannot set aside the principles and concepts of God's Word and over the enemy. You cannot set your Bible on the shelf.

Instead, you have to read these principles each day. You need to study each verse and memorize some. You must anticipate an attack on your mind each day and must be prepared. Satan does not give up and neither should you.

You should never give up on reading and meditating on God's Word. That is the only way you can keep Satan under your feet.

Prayer: Lord, renew my mind as I stay in Your Word.

Colossians 2:1-10
