

Here is how to ask Jesus into your heart:

We all do bad things, and God says that all sin has to be punished. The Good News!! God also provided someone else who would volunteer to be punished instead of us. All you have to do is tell Him you have sinned and ask Him into your heart. You can pray something like this, "Dear God, I am so glad that You know all about me and loving me. I have done bad things and I am sorry. I want Jesus to live in my heart and help me to love You more each day. Thank you for sending your Son Jesus to take my place and be punished for me. Amen."

John 14:6-"Jesus said unto him, "I am the way, the truth, and the life; no man comes unto the Father, but by me".

God made the insects (even spiders and worms), the birds,

the sun,
moon & stars.

He made trees and flowers, animals and people.

God Made Us in His Image (Just like Him)

He made us smart to learn things in school, to

be able to
build things
like cars and

buildings.

We can fish and provide food to eat.

God shows us in so many ways how much He loves us.

- Giving us everything we see
- Giving us family and friends
- Providing someone to take punishment for us when we do bad things (Jesus)

God Just Wants One Thing From us:

He wants us to love Him. We can thank Him by asking Him into our hearts and living for Him.

THANK YOU
