

# PIGHEADED PETE

The way of the fool is right in his own eyes, but a wise man listens to wise counsel. Proverbs 12:15

We shouldn't call people names like "Pigheaded Pete," but in a way Peter Martin deserved His nickname. "I think you'd better wear a jacket. It's cool outside," his mother would say. "Aw, I don't need a jacket," Peter would argue. So, he would go outside and freeze and sometimes come down with a cold from it.

"Write your 5 this way," his teacher told Pete, and showed him how. "I want to do it my way," he would say, and he kept on writing it backwards.

Peter was foolish to think he was always right. He was foolishly stubborn. The Holy Bible says that, The way of the fool is right in his own eyes, but a wise man listens to wise instruction. Prov. 12:15. We can learn much when we listen to trusted others advice, and that is always true when we do wrong. If somebody tells us, "What you are doing is a sin," we need to be willing to stop right then, and really think about it, and ask the Lord to help us know if our behavior is wrong.

Only in that way will we learn God's ways, and through learning about what the Bible says... But nobody learns by being pigheaded and stubborn! Some people would rather be wrong then corrected. The Holy Bible calls such a person a fool. A wise person thinks over what other people tell him. A wise person listens carefully to advice. You see, most other people's advice is right, and they are always right when they tell us what the Word of God has to say.

"The biggest fool is the person who thinks His ways are all, right, and he doesn't believe that he needs Jesus' forgiveness and help to live and think correctly. The wise man reads and believes the Word of God, and asks Jesus to be his Savior and Helper. Our Prayer: "Dear Lord Jesus, please help us from wrong thinking, that we are always right, and can't be wrong, and make us wise enough to learn from other people, and especially from those who teach us Your Word, that we may be your dear, loving and obedient children, and gladly follow your ways. Amen.
