

RECEIVING THE BLESSINGS OF GOD

Your words have incredible power! With your words, you set into motion the direction your life will go. It is so important to get in agreement with God, and speak the goodness, favor, and blessings of God over your life. When you speak words of faith, you are actually calling out the potential God has placed inside of you...bringing out your abilities and talents.

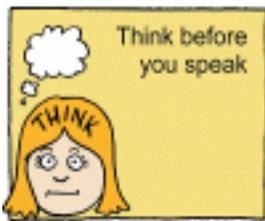

Your words have the power to propel you into what God has planned for you.

So many times, people focus on the negative things in life, and they don't realize that they have incredible gifts, abilities and talents lying dormant and just waiting to be called into action. Speaking negative words is like dropping an anchor right where you are. When you begin to declare the blessings and favor of the Almighty God, you are pulling up that anchor and hoisting your sails; which positions yourself to catch the winds of God's favor. It's time to declare: "I can do All things through Christ which strengthens me." I am a child of the Most High God and nothing is impossible unto me. "For the joy of the Lord is my Strength."

"Nay, I'm more than a conqueror through Him who loved me and washed me from my sins in His own blood." "If God be for me, Who can be against me!" God has a wonderful plan for me, and my life and I am going to fulfill it! When you speak life-changing words, the winds begin to change and shift in your direction. God fills those sails of Faith, and sets you on a greater course than you could have ever imagined. So, you need to set your mind to fulfilling God's will for you, and declare what God's Word has to say about you. Today is the day to get in agreement with what God says over your life.

I pray that you will tap into the power of God's promises. Declare His goodness, and speak Life into your situation today, and push aside all the negative thoughts, and reasonings, and debating that we tend to let have power over us that will keep us in confusion and doubt; and keep our focus on what God has to say about us. When you do, you will be amazed at where God takes you, as you go along each day, staying in faith and close communion with Jesus Christ. An active prayer life is also very important and living your life in thanksgiving unto Him no matter what the situation...

We walk by Faith and not be feelings or by circumstances, and by reading God's Word daily, we can keep our minds in sync with Him; renewing our minds according to what the Holy Bible says.

Scrip. Ref. from the King James Version:

"But thanks be unto God which giveth us the victory through our Lord Jesus Christ!"

1 Cor. 15:57 "In everything give thanks for this is the Will of God in Christ Jesus concerning you." 1 Thes. 5:18; "Now thanks be unto God which always causeth us to triumph in Christ, and maketh manifest the savour of the knowledge by us in every place." 2 Cor. 2:14; Phil. 4:13, Neh. 8:10; Rom. 8:31,37; Rev. 1:5; Luke 1:37;

"Wherefore seeing we also are compassed about with so great a cloud of witnesses, let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us." "Looking unto Jesus the Author and Finisher of our faith; Who for the joy that was set before Him endured the cross, despising the shame and is set down at the right hand of God." Hebrews 12:1-2 "Being confident of this very thing, that He which hath begun a good work in you will perform it until the day of Jesus Christ." Phil. 1:6
