

Dear Children:

Now this is the way to live! To be giving all our love away to other people as we reach out in love to them and constantly getting a wonderful refill of Love from Jesus! Doesn't that sound wonderful, Honey?

He wants you to share the love in your heart from Him with everyone; including those that you don't like or who might be mean to you.

Say, I want to be just like Jesus in my walk in life and act and think just like Him! You can do it, TOO, if you ask Jesus for help. He loves you very, very much and He wants to be a big part of your life and have a wonderful relationship with Him.

This is how you do it, Honey. You start spending time alone with Him everyday in a quiet place and talking with Him...just you and Him having private time together and live to please Him. That's the most important thing, Honey. In fact, you can visit with Him all day long and you can tell Him everything. He really cares about every detail of your life!

That's what Jesus wants more than anything. To have a **RELATIONSHIP** with YOU! You are very special to Him, and every one of you is! He really Loves His Children, Honey! In fact, He loves Everyone and He longs for them to come to Him for Salvation for all their needs and wants. And you too, Honey.

As you spend time with Him every day you will become more and more attached to Him as time goes by. And you will get so that you can't WAIT to get alone with Him so that you can Be with Him! That's so awesome, Honey!

And you need to LET HIM guide you and seek to obey what the Bible says which is the same as obeying Jesus.

You are one of His precious sheep and He is your Wonderful Shepherd and He will take care of you if you are willing to follow Him and live according to His ways. Jesus said, "I am the Way, the Truth, and the Life. No man cometh unto the Father but by Me." John 14:6

Jesus said, "All that the Father giveth Me shall come to Me; and him that cometh to Me I will in No wise cast out." John 6:37

If we learn what our Bible says by reading it or having others read it to us and study it, we will learn how to follow Him better, too. We need to do that every day, not just on Sundays.

Jesus laid down His life for us so that we might live a victorious, overcoming life and then go to Heaven. He has wonderful plans for your life, Honey, that He wants you to fulfill! Isn't it wonderful that Jesus has a very special Plan for each of us for our life? Wow! What an awesome thing, just to know that!

He's a very patient loving Father and He will gently lead you along so that you will be able to accomplish the things that He has planned for your life, if you are willing. That's the KEY to open all doors. Jesus said in the Book of Revelation 3:20 "Behold, I stand at the door and knock: If any man hear my voice, and open the door, I will come in to Him, and I will sup with Him, and he with me."

We have to follow Jesus and His ways over our ways and plans for our life. As we go along the best we can and heed His gentle nudges about what to say and do and how to act, we can know that we are on the right path, if we do that, Precious one. So, why don't you start today telling Jesus everything and asking Him for His Wonderful Guidance in all things in your day, taking it one day at a time.

**Alone  
I am Weak  
But in CHRIST  
I am STRONG**

Jesus never gives you more than you can handle or does He give you too much to do at one time, Honey. He wants you to live one day at a time and He will lead you and help you through each day. You will grow little by little more into Him as time goes by and as you keep your relationship with Him going.

Love and Peace to you, friend, from our Heavenly Father, Jesus!
