

Someone Missing

Someone missing in your life?

Is there an emptiness in your soul, that nothing or no one can fill? You tried drugs, sex, alcohol, the cults and still that lonely feeling. The feeling of the empty lonely feeling that no one really cares. That no one loves you.

No one cares if you live or die. they don't even know you exist....THE SAME LIE HAS BEEN USED FOR CENTURIES.

Someone does love you. Someone loves you so much he would walk the ends of the earth to save you. He would even die for you. In fact he did die for you. His name is Jesus.

Since Adam and Eve sinned in the garden of Eden, man had been separated from the loving God that created them. And the loving son Jesus said "Father I love them enough to walk among them to preach your word. I love them enough to feel their pain, sorrow, heartaches, sufferings. I love them enough to experience for myself what they go through everyday. I even love them enough to be mocked by them, beat by them.

They make fun of me for telling them I am the son of God. the one who came to redeem them. They hate me because I preach your word to them. But I love them anyway. In fact I love them so much I would die for them. So that they may come and give their hearts back to you. That no other blood but mine may be shed once and for all to cover their sins. I paid the price for you all. I love everyone of you. I died for you. No greater love than to lay down your life for another. Please come back to your creator, he is waiting for his children to call out to him for help, peace, comfort and forgiveness.
