

## STUDY ON LYING FOR CHILDREN

We are going to study about lying from the Holy Bible. Lying is a very serious matter. If we are not telling the truth...after awhile no one will believe anything we say! Jesus hates lying! We don't want to do that do we? He speaks about it a lot in the Holy Bible, and we need to pay very close attention to what It says.

Here are some of what the Bible says about lying:

“Lie not to one another...a wicked doer giveth heed to false lips; and a Liar giveth ear to a naughty tongue...and a poor man is better than a Liar.”

In the Book of Revelation it says that whosoever loveth and maketh a Lie will not be saved, so it is a very serious thing when you lie.

Jesus said in John 8:14 that the devil is the “father of lies.”

So, we don't want to have anything to do with lying do we? We want to do what is right and good. We should never tell a lie. There is never a good reason to lie or shade the truth. Even when it is a hard thing to do...we must always be truthful.

I know you want to please Jesus and do the right things. If we work on having a Relationship with Jesus that makes it so much easier to obey Him and what He has written in the Holy Bible.

Did you know that He wants to have a real Relationship with you? Jesus wants that more than anything...He wants to be part of your life as His child, and for you to make time to spend with Him everyday. So, I am encouraging you to put aside some time for that, and keep inviting Him in, and I promise you that you will grow up in Him more and more as you keep spending time with Him, regularly and don't quit. And if you forget for a while, you just start talking to Jesus and loving on Him again and everything will be more than fine! Even if you don't feel any different at first, eventually you will, if you keep trying.

And it's most important in your growth to read and know and believe what He says in His Word. You need to learn what the Gospels say especially, first and Psalms are so comforting, and Proverbs will teach you a lot. Just read a little of that book at a time or it becomes overwhelming.

I wish you much joy and happiness in your life and I know you will have it if you don't quit but keep pressing forward in your walk with Jesus!

You will love the Thees and Thous and ye's after reading them for awhile...I promise you!
