

The Glory of God

*Someday soon and all will see
The Glory of God that sets men free
Coming in the clouds from Heaven above
To claim His children bought by His blood*

*As the clouds above roll back as a scroll
Every eye shall see Him but not all He'll behold
In less than a heart beat and in the twinkling of an eye
The Saints of this earth to Him they will rise*

*Then those that are left will see Him no more
The trials of this earth they will now endure
The son of deception revealed they will see
Because they rejected Jesus and nailed Him to a tree*

*The Bride of Christ shall forever be
Praising His name throughout all eternity
All sorrow and grief will be a thing of the past
Eternally praising God in His presence at last*

*The joys of knowing Christ and lost in His love
My soul is overwhelmed from His presence above
He's the King of kings and Lord of lords
His word is powerful sharper than a sword*

*All Praise and Glory to God above
Who can resist the power of His Love
He's Lord and Savior He's God Supreme
He's the only choice to make for all eternity*

*Oh Blessed assurance Jesus is mine
Accept Him today while there's still time
If you reject Him now then He'll reject you
Eternity without Christ what will you do*

*Inspired by My Lord and Savior Jesus Christ
To him I give all the Glory Honor and Praise*
