If You truly repented and meant it

Then God has forgiven you
and has adopted you into His
family .

God has written your name in
the Book of Life.

You are now Born again !
Heaven bound !

You are now a Child of God .

Welcome to the family of God !

God has a plan for you life !

God has work for you to do !

God has people for you to share
your testimony !

Well everything seemed all right , they were going fast and getting somewhere . But every time they stopped for gas or food . The people would warn them that the bridge was out farther up the road .And that they should turn around and take the narrow road . Bob would not listen to that nonsense. After all what did they know . They were fanatics . They just wanted to slow us down . Anyone could see that this was a fast wide broad road .They were radicals . They were trouble makers . So, Bob and his family got in their car and continued down that wide broad road .

Well it was getting really late . The time was one - hour before mid-night . It was raining really hard . There seemed to be a fog so thick you could not see the road . The car was going over 100 miles per hour . They were making great time . Bob thought to himself. What if those people were right (who had warned us) and the bridge was out . He pondered for a moment and thought . He said no they cant be right . I 'm right . I am on the right road . Nobody is going to tell me different .

It was getting harder to see . It was like his eyes were blinded by something . When all of a sudden , Like a flash ... whoosh.....The car crashed through the barricade and flew off the end of the bridge . Bob and his family went over the edge falling and crashing into the rocks at the bottom of great canyon . The car exploded and burst into flames . Everyone was burned alive . No one survived . Everyone died .

Once upon a time : I write this to tell you a story of a man who went on a long journey . His name was Bob . He was married and had two children .Now Bob was a hard working man . He provided for his family and spent a lot time with them . One day they decided to go on a trip. But they had to choose which highway to travel on . They had two choices .One of their choices was to take the broad road or the narrow road . It was a hard choice . The broad road was fast and busy. You could go as fast as you wanted . It was a six -lane freeway. It seemed like everybody was traveling on it .But then there was the narrow road . It was small and curvy . You couldn't see around each turn . There were high hills and mountains . You couldn't see what was on the other side . It was bumpy and it was a single lane road . And you couldn't go very fast . Very few people traveled on it . Bob thought for a moment . What if something happened . There would be no one to help .

Well Bob and his family decided to take the broad road . It seemed like the right decision . After all you could travel as fast as you wanted . And get were you were going . And there were a lot of people traveling on it . It seemed safe enough . So , They started out on their long journey .

If only they would have listened to the warning that the bridge is out . If only they would have taken the narrow road . If only someone would have stopped them.

The man and his family woke up into Eternity . The man pleaded and begged for a second chance for himself and his family . But it was to late . They had crossed over . They ended up in a place called hell . Because they had rejected the warning. The bridge is out . They had rejected Jesus , the one who could save them . No man knows the day of his death . It could happen at any time . There are no guaranties .

When your life ends. The only thing that matters to God is that you have accepted or rejected Jesus Christ as your Lord and Savior . At the end of your life that is all that is going to matter . Either you accept Jesus or reject Jesus . It is Gods love , mercy ,grace and forgiveness .

It's your choice ? Don't gamble away your salvation . The decision you make is eternal (forever and ever)

Its your decision ? Choose wisely?

There are few things God asks you to do ! Every day, week and month
