

THE FIRST COMMANDMENT

As spoken by Jesus Christ in the New Testament First:

Jesus said, "The First of all the commandments is, (and the most important one) is Hear, O Israel; The Lord our God is One Lord: And thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind, and with all thy strength: This is the First Commandment.

("And the Second one is like, namely this, Thou shalt love thy neighbor as thyself. There is none other Commandment Greater than these two!")

In the Book of Deuteronomy chapter 5 verses 7-9 we read "Thou shalt have no other gods before Me."

Thou shalt not make thee any graven (carved) image, or any likeness of any thing that is in Heaven above, or that is in the Earth beneath, or that in the waters beneath the Earth:

"Thou shalt not bow down thyself unto them; nor serve them: for I the Lord Thy God am a jealous God..."

This means that you we are to worship nothing else but God and/or bow down and worship them. And we aren't to make statutes or a likeness of anything and pray to them, either. Including things like Christian pictures of Jesus and pray to them or let them be a replacement from the real person of Jesus Christ.

We are not to love anything or anyone more than Jesus. He is just has to be number One in our life...That means, your things, money, watching t.v. and playing video games, candy and cookies, or, anything that might distract you from your First Love who is Jesus! We need to ask Jesus to help us have a Balance and Stable life. And take plenty of time for Jesus, including having Him in our life everyday. If we are doing more watching t.v. and playing video games than doing anything to build our relationship with Jesus, and not attending to God's Word; reading and studying some of it everyday, if we can, we need to correct ourselves and do the right thing and pay attention to what we are doing and pondering on.

Ask yourself, what am I spending the majority of my time on, and then school yourself to doing the things that are pleasing to Jesus.

And if we love a person, even our mom or dad more than Jesus that is not God's Will. Jesus has to be Number One in your life...we Must put Him First. When we do that we will be willing to endure the hardships in life.

In Matthew 6, Verse 33 Jesus said, "Seek ye First the Kingdom of God, and His righteousness (that is to live right) and all these things shall be added unto you."

More than anything Jesus wants a real Relationship with you. I am encouraging you to spend some quiet time with Jesus every day. You can make the time if you try. Talk to Jesus and thank Him for being your Savior and Friend.

And tell Him what you need and want, too. He wants to hear all about you!

Isn't that wonderful! And ask Him to help you live the way He wants you to; and that you want to please Him in what you do and say every day.

He is eagerly listening and He will answer your prayers in just the right way when the time is perfect for you. The wonderful things about Jesus is that you can keep coming back to Him and telling Him if you are discouraged and it is hard to wait for the answer. Just trust Him my friend...don't give up asking and thanking Jesus for the answer...and do that everytime you ask Him for something. The right answer is on it's way! Jesus has promised to answer our prayers, in the Holy Bible and He does!

Trust in what your Bible says! The Authorized King James is the very Best Bible!

It may take some time, depending on what you ask for. Be confident that he is working on answering your prayer, because He IS!

Your answer may be something you hadn't even thought of, and I promise you that it will be the Best Answer and you will like it, much better than what you had in mind!
