

## *Time*

*I've got all the time in the world  
I heard this young man say  
So I wondered where his time would be  
If his life did end today*

*We always plan our days  
To this worlds daily grind  
But do we say LORD willing  
To the one who created time*

*All the time in the world  
I'll build bigger barns the rich man did say  
But Jesus said thou fool  
For your time will end today*

*All the time in the World  
To worship our Lord and pray  
But so many on Sunday morning  
Would rather stay home and play*

*To everything there is a season,  
A time and purpose under heaven  
A time to be born and a time to die  
A time to laugh and a time to cry*

*A time to heal and a time to love  
A time to accept Christ and His grace from above  
Don't put your faith in the wisdom of men  
But in the power of God who holds your hand*

*The Son of man comes as a thief in the night  
As the sand in the hour glass time ticks away  
Choose you this day whom you will serve  
Take time kneel down and pray*

*Inspired by My Lord and Savior Jesus Christ  
To him I give all the Glory Honor and Praise
