

Today

*Today the deceiver Came
He's a criminal of the Mind
Defined by his Injustice
His mission is to Blind*

*With thoughts of sin his attack Begins
Imaginations so vile and Vast
In the heart of your mind he Places
All the sins of your Past*

*Look at all these earthly Pleasures
In this life that you can See
It can all be yours, he Says
If you'll bow down and worship Me*

*He said, I did not just Come
To kill, steal, and Destroy
But to lead you away from God
From your first love and your Joy*

*Get thee behind me Satan
For on the solid rock I Stand
And all these sinful vile Imaginations
I bring captive into Jesus Hands*

*It's by the blood of Jesus
My sins are remembered no More
And it's by the blood of Jesus
My soul is safe forever More*

*So when attacked by Satan
Remember the lake of fire will be his Home
Be free through the blood of Jesus
And be free for Evermore*

*Inspired By my Lord and Savior
To Him I give all Praise, Honor, and Glory
