

# ARE YOU WILLING?

Ever wondered the reason for the events of life? Ever wondered how things originate and come into existence? Ever being in doubt as to the source of every significant and monumental event in life - including the reason for the shocking events of your daily life?

The answer is simple, the physical things we see are always created by the spiritual things we cannot see.

The events of our world and our lives on a daily basis are always pre-determined and pre-ordered from the spiritual that we cannot see.

God's desire for us is that we are not caught unawares in the events of our lives and the happenings around us, and so the Bible tells us in Habakkuk 2:2-3 which says " And the Lord answered me, and said, Write the vision, and make it plain upon tables, that he may run that readeth it. For the vision is yet for an appointed time, but at the end it shall speak, and not lie: though it tarry, wait for it; because it will surely come, it will not tarry."

A vision always births reality. A revelation is always a signal for a future event, which will not tarry to come. Your life will always be shrouded in mystery and peripheral existence until you can influence events and happenings around you, by being able to access God's provisions and power spiritually.

Joel 2:28-29 tells us of how God intends us to locate and understand the events of our time through the release of the Spirit of God upon us. It says "

And it shall come to pass afterward, that I will pour out my spirit upon all flesh; and your sons and your daughters shall prophesy, your old men shall dream dreams, your young men shall see visions: 29 And also upon the servants and upon the handmaids in those days will I pour out my spirit."

How can we understand the things happening around us and the events of time when we continue to remain far away from God?

How can we be so far away from our manual for existence -

The Holy Bible,

and distance ourselves from our maker with our lifestyle when we can't offer our lives to the One who created us and supplied us with breath for existence - which we often misuse? The book of Romans 6:1 asks us a very pertinent question " What shall we say then? Shall we continue in sin, that grace may abound?"

Reader, events take us unawares in our daily existence, some are very tragic, some are only shocking!

The Bible tells us in Proverbs 3:5 "Trust in the Lord with all thine heart; and lean not unto thine own understanding. 6 In all thy ways acknowledge him, and he shall direct thy paths."

We can know God's will for our lives and be very secure when we persistently, consciously and continuously draw close to him. If He is willing to reveal events to us through the release of His spirit freely to us, how much more Himself. As James 5:8 puts it " Draw nigh to God, and he will draw nigh to you. Cleanse your hands, ye sinners; and purify your hearts, ye double minded."

Dear reader, you can order the events of your life and time here on earth. First step is the most important decision you'll have to make in your lifetime, and as Isaiah 1:19 puts it " If ye be willing and obedient, ye shall eat the good of the land:"

The choice is yours, you can decide to say the prayer below and change your life and secure eternity in heaven or remain vulnerable and unaware to every event and end untimely and in hell, for being far from God at the end of existence.

Lord Jesus, I bow before You today and I ask for Your mercy and forgiveness. Forgive me of all my sins and save me from the life of sin and the consequences of sin. Give me a new life with You today and the grace to follow Your will only from now on, in Jesus Name I pray. Amen!

Perfect decision if you prayed that prayer, draw close to God with a daily, persistent study of Him through the Bible, your Guide and companion, and be willing to receive His spirit and commandments. Do not also forsake the assembly of the brethren, a Bible - centred church, spread the gospel and live with a consciousness of eternity.

God bless you.
