

Beware and Act

Inside every one of us is deep potential to be great at who God wants us to be. But there is a great conflict because the Bible says in John 10:10, that the thief cometh not but to steal, kill and destroy...also it says "for we are not ignorant of the devices of the devil "2 Corinthians 2:11

The Devil's chief aim is to frustrate the agenda of God in your life, in as many lives as possible and by extension all over the earth and to see how many souls he can divert to Hell and damnation and destruction.

The events going on in the world today prove to us that we are very very close to the world's end. This generation will not pass away till the prophecies of Matthew 24 are fully fulfilled.

This is not the time for a long speech, all I want to say, to the reader of this tract is, if you are still living on your own terms, living willfully and sinfully better wake up, " for now is the hour of our salvation nearer than when we first began." Romans (13:11! if your flesh still has control over you, then you need to subdue that flesh, as practicable as the next minute, through a new decision.

If you haven't accepted Jesus into your life as your Lord and personal saviour, to take away your sins and deliver you from eternal damnation and the consequences of sin.

The bible says " the devil moves about like a roaring lion seeking whom he may devour.(1 Peter 5:8)You have to be alert and shielded in Christ, the Hope of Glory.

Say this prayer to accept Christ now into your life.

Lord Jesus, forgive me my sins, I accept you as my Lord and personal saviour. I believe you came to die on the cross for me to save me and give me power over sin and death. Give me grace to stand firm in you, now and forever more. Amen. Thank you Jesus.

Congratulations on that prayer. Now you have to work out your salvation with fear of God in your hearts and trembling of the consequences of not doing so.(see Philipians 2:12)

Let prayer and the study of the Bible be your daily habit. Also fellowship with other genuine christian brethren who study and apply the commandments and principles of the Bible. Above all. Be a witness, tell others about the saving power of Jesus Christ.

God bless you.
