

## BOOK OF RECORDS

We often go about our daily activities keeping records of important events and happenings in and around our lives. Even the smallest details could be kept in our minds for long periods, spanning to years and generations. If we as frail humans could do this, how much more the One who created us with this capacity. Very often and unfortunately, we see our fellows do things and act like there were no records at all - earthly or eternal to record our deeds.

We see despicable acts of unrighteousness being committed daily, and the perpetrators walk away freely like it is the most noble thing to do.

Here is a quick reminder, that He who sits in the heavens is above all and sees all. John 19:35 says "and He that saw it bore record, and his record is true."

Dear reader, all we do on earth with our lives, enters into the eternal records of our Maker and Creator and the host of heaven. Here is a pointer to that as we see in 1 John 5:7 - "for there are three that bare record in heaven, the Father, the Word and the Holy Ghost: and these three are one" God, our maker hath given us eternal life, but our ability to access it is dependent on what the records speak of us here and in eternity. We must believe and follow the path laid down by His Son, Jesus Christ.

In 1 John 5:11 we are assured of the above statement whereby it says - "and this is the record, that God hath given to us eternal life, and this life is in his Son."

If we are not convinced of this, Jesus tell us in John 12: 48 " He that rejecteth me, and receiveth not my words, hath one that judgeth him: the word that I have spoken, the same shall judge him in the last day." This tells us that even the words spoken to us by Jesus, have been set to judge and are stated as records by which our lives must conform or else we run a great risk.

If we are not convinced of this, Jesus tell us in John 12: 48 " He that rejecteth me, and receiveth not my words, hath one that judgeth him: the word that I have spoken, the same shall judge him in the last day." This tells us that even the words spoken to us by Jesus, have been set to judge and are stated as records by which our lives must conform or else we run a great risk.

Dear reader, there is great risk in despising God's word, and it is the risk of eternal damnation and condemnation in hell. No instruction could be more apt and timely than that given to us by Jesus, the Son of God saying to us in the book of John 12:36 - While ye have light, believe in the light, that ye may be the children of light. And in verse 46 he says - I am come a light into the world, that whosoever believeth on me should not abide in darkness.

Are you ready to avoid darkness, are you ready to hand over your life to God and live a life that inputs good records into the record of your life in eternity? - for the Bible says in Job 16:19 - my witness is in heaven, and my record is on high.

Dear reader its time to have your name in the records of the book of life, say this simple prayer

**Dear Lord Jesus, I am sorry for all my sins, I want a new record of my life in heaven, I don't want to die in my sins, and I don't want my sins again. Have mercy upon me, forgive me and come into my life. Thank you Jesus. Amen.**

You just gave your life to Jesus, the Son of God, with that short and simple prayer. Determine to work out your salvation by making a commitment to live for God as you study the Bible and pray fervently on a daily basis. Do not forsake the fellowship of christians in a church that believes on Jesus and His word in the Bible. Live a pure and holy life, completely devoid of any form of sin and guilt, for Jesus, your saviour and redeemer is coming back again very soon, and He wants to find you pure and holy in his sight.

God bless you. Amen!
