

## DOES IT REALLY MATTER?

What will matter at the end of time on earth will be what matters most to The Most High God. Never think that your possessions or the physical things you hold dear to yourself are what matter most.

Let us be reminded of what the Bible says in Mark 8 :36 " For what shall it profit a man, if he shall gain the whole world, and lose his own soul?"

Remember also that all we store up in the earth are preserved and kept until the day of their consumption by fire, as we see in 2 Peter 3:10 wherein it says " But the day of the Lord will come as a thief in the night; in the which the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also and the works that are therein shall be burned up."

Here is what we are strongly advised to do while we are on this earth " But lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal:" -Matt. 6:20 Moreover, verse 21 of the above scripture tells us that where our treasure is, there will our heart also be. It is like saying, where your treasure is, there will your ultimate end be.

Dear readers, it is a call to do what is most important, a call to do the things that matter most to God. For the world is just a passing phase, it surely comes to an end one day and then we'll be translated into eternity, where our permanent residence there will be determined by what we do and regard highly and most important here on earth. It will depend on what we held as treasures, salvation from God or our earthly, worldly and material possessions?
