

## LIFE AND THE BOOK

What is life to you? What does life actually mean to you who is living it? What is the source of your life? what is the pillar of your life and of course what is the content and direction of your life? Having reached the stage of your life where you can discern both good and evil and have attained the age of choices, what choices have you made that have affected your life and The Book of Life? Now the Book of Life is made known to us by the Bible in Revelations 20:12." And I saw the dead, small and great, stand before God; and the books were opened: and another book was opened, which is the book of life: and the dead were judged out of those things which were written in the books, according to their works. "

Dear reader I want you to realise that life is what we make out of it by our choices, and our choices are the mother of our works. - These works are whatever it is we do with our lives. Are you living your life with good works or bad works, Is your name in the Book of Life. I want you to realise that in Revelation 20:12, there are books (in plural) and there is the Book of Life (singular). For all the over 7billion people living on planet earth, only some names, less than Half of the earth's population, (if up to ) will have their names written in The Book of Life after their time on earth is done!

Dear reader,hell and death and eternal burning are not and will never ever be worth the while. It is un-ending...for ever and ever. It is not a place to go, I have a huge cry and burden in my heart that everyone who reads this piece would give their lives to Christ, the owner and giver of life!

He will soon come to redeem His people, that is those whose names are written In the Book of Life. One question - IS YOUR NAME IN THAT BOOK OF LIFE?

If yes, do all you can with God's help to make it remain there till the very end of time. That you can do by continuous surrender and prayer to God, a daily communion and fellowship with Him through His word in the bible and a life of strict and diligent obedience to God and His word.

If not there yet, you can get it there NOW, before it becomes late as you do not own your life, you can die anytime,when the owner requires it.

If you will say this prayer;

**Dear Lord Jesus, I know you love me. I accept that you died for me to have my sins washed and taken away and to give me a clean and brand new life in you. I accept you as my Lord and Saviour, please write my name in the Book of life, help me to live for you and help me to live ready for your coming.**

**Thank you in Jesus Name I pray. Amen!!**

Please, realise that if you said this prayer, you just made the best use of your one minute. See I tell you and I lie not. God loves you and He wants you to love Him also. Go to Him daily through a daily and continuous study of the Bible, pray fervently and regularly, let Him be lord of your life and mind and time, dedicate and surrender all and every aspect of your life to Him, that He may help you. His grace is even more stronger and available these days. Do not also forget the assembly of the righteous in the form of a Bible based and faith -filled church and most importantly live your life with the consciousness of God's presence, eternity and His second coming in view, live life knowing that you have been saved from sin and you should never go back to them again. He will help you if you let Him.

God truly and richly bless you.  
Stayed blessed.
