

## MERRY CHRISTMAS - THE SIGNIFICANCE

This season, you get the best gift ever. The truth is that many people will not celebrate christmas as they would have wanted. The children in foster homes, the children who know about christmas but are in orphanages waiting for a 'santa' to show up, or even those stranded on a hospital bed at christmas. No matter the gift given to these ones and any other, there is a sure gift that lasts and outweighs all....

It is JESUS CHRIST.  
The real essence this season is the fact that the Saviour of the World is Born, that's why we sing "Joy to the World". When you go about to share your gifts and show some love, even in that formality, you can make some one's christmas delightful. Tell the christmas story from the gospel to someone and watch their face brighten with the true spirit of Christmas.

Dear reader,if you think christmas is just any other festival for draining the alcohol down your throat or getting loose at a party, then every other thing you do at this period may pale into insignificance. All you need to do now to have the most memorable, peaceful and assured christmas is to get acquainted with the One who is The reason for the season.

**Say this prayer;**

**Lord Jesus, thank you for coming to the world to save me from sin. I am sorry for all my sins. I accept you as my Lord and Saviour, now and forever more. Amen.**

Now that's Christmas! Congratulations, take time out to share some love, because Christmas tells us about God's love for us in John 3:16. Study your Bible regularly, attend a Bible believing church and flee from sin. Remember Jesus is coming back for the righteous pretty soon now.

Merry Christmas.
