

## THE MESSAGE

Let me share I story I heard about a revelation from Heaven.

There was an anglican priest in Nigeria who had an ailment and was due for surgery. While in the theatre and on the bed with the team of nurses and doctors, fearful things took place. After the anaesthesia was applied, this priest by name, Chidi, stepped out of life into eternity. He literally passed on.

His soul arrived a place he described as "very beautiful" he had not seen anything or place like that on earth before. A white, bright and shiny figure stood by, but would not utter a word. While standing, another tall and great figure, whose face could not be seen, yet so bright, clothed in white appeared to the priest, Chidi and Said Welcome to Heaven, this is Jesus, whom you preached about. Immediately, the priest bowed and said "please have mercy upon me." Jesus stood him up and began to show him a place where there was massive weeping and wailing and people rushing in their iniquitous state to hell.

There was an endless queue of people who were rushing in and just a few who passed to the right side at the "gates of separation". A very crucial point was, in the theatre room where the doctors were trying to carry out the operation, Chidi, while talking with Jesus in his unconscious state, was praying and interceding for souls to be saved physically on the theatre bed, without his own knowledge, during the course of his anaesthesia. He had to be injected seven times, but he couldn't stop talking with the Master just like that.

They also heard of his conversations about heaven and hell. Jesus, while sending Chidi the priest, back to earth (because his time hadn't arrived) told him to come with a message that He is coming back soon, and told him that hell was not originally meant for human beings but for the devil and his agents. Dear reader, the Bible tells us in Luke 13:24 Strive to enter in at the strait gate: for many, I say unto you, will seek to enter in, and shall not be able.

The message about heaven and hell is not a joke, if it was, it would have expired and be extinct very many years ago. Dear reader, strive, strive, do all you can to make heaven. For it is better to enter maimed into heaven than complete in hell. (Matthew 5:30) Jesus is coming soon believe it or not, the signs are clear everywhere as indicated in the Bible. You can never anticipate the dangers of hell and you can never get used to it for all eternity! Escape into God NOW! While you can and while there is grace. Sin will profit nothing but death at the end and in regret.

Say this prayer, its worth your whole life when you say it and stay committed. Dear Lord Jesus, I know I am a sinner and unworthy, but its because of my unworthiness that you died for me. Forgive me my sins, I am sorry Lord. Save me from sin and the consequences of sin. I receive the grace to live all my life for you, and to make it to heaven to meet with you. Thank you Jesus for saving me. In Jesus Name. Amen.

Stay focused on God, get a complete Bible and study it profusely, do not also forsake the assembly of true believers and worshippers in the church. God bless you.
