

OPEN YOUR HEART AND LIFE

How can you continually live a life devoid of the guarantee of a blissful future in the afterlife. Here's what you must know - the price for you to have peace here and for eternity has been paid already. All that is needed for your salvation, your safety, your guarantee of welfare in this life and when the time on earth here is done has been done already.

Some years ago, A Man, sent from the creator of the universe, by the name Jesus Christ, came into this world, on a mission by God for the purpose of establishing and reconnecting man to the original plan and purpose of God for our existence. In his time on earth, Jesus established our peace, our health, our salvation, our wealth, our safety (Revelations 5:12, Isaiah 53: 3-5, 3 John :2, 2 Corinthians 8:9, Psalm 121:7-8) and every other thing that is a desire or desirable here on earth and for eternity in order that man should give God pleasure and fulfill the original purpose of His creation.

Dear reader, if you have not come in personal Contact with this man, Jesus Christ of Nazareth, your life may not be where it ought to be right now, your health may be in danger, your finances may be in red, your career may be threatened, your future and family safety may not look pleasant, your children are giving you so much heart ache, all I am out to tell you is that, if you can turn your eyes and focus on the Light of the Master, Jesus, you would have a change of story if you genuinely place Him first and choose to accept Him wholly in your life because he came to give you Peace and joy (John 14:27).

There is a chance for you, reading this tract even right now, and more so is the fact that this world will be judged and destroyed and there is no other name on earth given by which men might be saved from destruction and judgement (Acts 4:12)

Jesus is here right now to give you life (John 10:10) and he says to you and me that whoever comes to Him, He shall not in any way cast out or reject that person.

The opportunity is here right now to have him with you, all you have to do is to pray a simple prayer, believing that He has heard and answered and come into your life because it is written in the Bible (Acts 16:31, Romans 10:10) that with the heart man believes unto righteousness and with the mouth Confession is made unto salvation, and as you pray and believe. It is done!

Say this prayer:

Lord Jesus, I ask for the forgiving of my sins, forgive me for living my life without you, I need you Lord in my heart, I am ready to walk with you, please come into my life and be my Lord and personal Saviour, I choose to live for you and in accordance with your word which is the Bible. Thank you Lord, in Jesus name! Amen

It's done, Understand from today, that Jesus has come into your life but you must make room for him to grow you and help you. You must avoid sin and anything that compromises your conscience or you know is not good, pick up a copy of the Bible, read it on a daily basis, believe it as the word of God and from God and apply it into your life,

pray for more of the reality and understanding of God in your life and above all, the moment you begin to see the workings of God and difference in your life begin to tell people about Jesus, and the salvation of their souls, the reality of heaven and hell and the testimony of the fact that God in a man's life completely changes the story! Never doubt what God says to you, attend a church that believes and practices the Bible so you can connect with other believers and above all live uprightly without any trace of sin or error guilt in your heart or conscience, avoid it and prepare again because He'll soon come again to take His people home to an unending life of total glory and abundance for ever with God, no pain, no weeping, no frustration.

God richly bless you.
