

THE PATHWAY

Are you satisfied with the current trend of events in your life? is your life moving like its been tossed aside and in all directions like the wind? Is there some path you wish your life would take and some other your life will turn aside from?

There is a way for you!

The book of James 3:3-5 says " Behold, we put bits in the horses' mouths, that they may obey us; and we turn about their whole body. Behold also the ships, which though they be so great, and are driven of fierce winds, yet are they turned about with a very small helm, whithersoever the governor listeth. Even so the tongue is a little member, and boasteth great things. Behold, how great a matter a little fire kindleth! "

Dear reader, your life's issues can be transformed by your speech. Are you speaking violence and cursing and negative events into your life and world? Have you seen negative events and violence around you and has inner peace eluded you?

You can change all that. But know this - an uncontrolled tongue is a tongue that leads to hell and eternal damnation and regret. For the bible tells us in Hebrews 3:6 saying, " And the tongue is a fire, a world of iniquity: so is the tongue among our members, that it defileth the whole body, and setteth on fire the course of nature; and it is set on fire of hell."

But there is a pattern of speech that if we uphold could guarantee us life eternal.

But there is a pattern of speech that if we uphold could guarantee us life eternal.

The greatest use of your speech for any one drowning in sin is this instruction found in Romans 10:9 which says, " That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved"

Having done this our world can change as we begin to express our desire for help to God and speak the things we see in His word. Our pathway of life can be more glorious.

Dear reader, do not take this word on the chin, when you know your world would have been a lot better had your speech not beguiled you and put you in a world of difficulty and regret. You can make amends RIGHT NOW! By saying this prayer;

Lord Jesus, am sorry for the destruction I have committed with my mouth and the path I have led my life without you. I confess my sins and repent before you today, be my Lord and saviour, control my speech and everything that concerns me. I accept your rule over my life, change me and make me pure in your sight now and forever more. Thank you Lord, in Jesus name. Amen!

Congratulations, for your new stand with God and righteousness, fuel it today by making out time to study God's word through the Bible and attend a church that teaches you from the Bible. Your path now is an eternal pathway to salvation, do not let sin take you away from God and salvation.

God bless you!
