

PLEASURE OR PAIN

Have you ever wondered why you are still in the earth, has the earth never seemed boring and monotonous to you. Do your activities seem more like a daily routine?

Know this then that the purpose of your being on earth is nothing more than to give God pleasure! Every other thing aside the pleasure of God is virtually worthless. Ever imagined God - your creator sitting in heaven surrounded by the heavenly bodies and the host of heaven and then he begins to wonder how to make his reign more pleasurable. He then starts the work of creation and nothing He seems to make gives Him the pleasure He wants and deserves (as we all do) until He creates something with a semblance of Himself - You.

God's desire is that every man, woman, boy or girl must give Him pleasure through his/her lifestyle. Everything was set up such that despite all our circumstances whether positive or negative, we still find the opportunity to give God pleasure. For Jesus said to God the Father in Luke 10:21 ...Yes, Father, for such was Your gracious will and choice and good pleasure, and in Mark 1:11 And there came a voice out from within heaven, You are My Beloved Son; in You I am well pleased. Dear reader I need not highlight for you how many times you displeased God by your character, and lifestyle.

Have you done acts to please Him or to Pain Him?

What you do with your body, does it inflict pain to his kind, loving and tender heart or do you make him delight in you and say this is my beloved son in whom I am well pleased? When you smoke or go high on drugs or alcohol ask yourself, did my creator exactly want this for me? When you engage in lies, deceit, theft, arrogance, pride, sex before marriage, prostitution, adultery, pornography, murder, ostentation, forgery, bribery, jealousy, covetousness and every other thing that your seared conscience still silently condemns and convicts you of
