

PRESERVED

There is a level of preservation, there is a realm of safety. There is a place of safety. A realm where all you do is secured, in the right path and in the divine path, a path that is perfect for your life.

However There is a way which seemeth right unto a man, but the end thereof is death (Proverbs 14:12). It is not a place of safety, it is a dangerous path and of uncertainty and insecurity.

There is a highway on this path, very speedy and very fast, it is summarised in 3 letters - SIN.

SIN

Someone has tagged this to mean "Satan's Identification Number". It identifies you with the devil. It imputes in you everything that the devil has to offer and all its characteristics. It drags you away fast to be with the devil and all his agents. It easily relates you with everything devilish. It may be as little and as minute as you think. This could be a most trivial issue as a lie, stealing, malice, murder, gun running, drugs, alcohol. Its all in one kettle of fish known as sin. This thing called sin poses one question, how will you spend eternity aside hell if you continue this path .

And the truth is that " For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord.."

(Romans 6:23)

Reader, what you must know is that "There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit". (Romans 8:1) Also we understand that there is a different path which takes it the way God wants it and it delivers us from all the evil and vices of the highway

"For the Son of man is come to seek and to save that which was lost".

(Luke 19:10)

Dear reader, you can answer the question of eternity today if you simply subscribe to the Son of man Who came to seek and save that which was lost - Jesus Christ. For it is He who came as a redemption from the dangers of the life of the highway. He says in John 6:37 " All that the Father giveth me shall come to me; and him that cometh to me I will in no wise cast out".

This is God's plan for your life, that you should come unto Him through His son Jesus Christ and He shall give you rest.

Dear reader, if only you can yield up your life for God and accept Jesus into your life and have Him as your Lord and saviour you will escape the eternal damnation of hell and will live forever in Heaven with the Peace of God in your Hearts.

Do not harden your heart upon hearing this call for Isaiah 1:19 says if ye be willing and obedient you shall eat the good of the land. Obedience to the call for salvation is the best thing to do with obedience for all your life.

You can say this prayer and heed the call right away.....

Dear Lord Jesus, I am sorry for how I have lived my life away from you. I ask for forgiveness of sins today, come into my heart, be the Lord of my life and be my saviour and fill my heart with your love now and always. In Jesus name, Amen.

Congratulations on praying that prayer. You just got saved, but the next best thing you can do with your life from now on is to live your life for God all the days of your life. Live in the consciousness of God and remain rapturable.

The Lord bless you.
