But Seek ye First the Kingdom of God and his righteousness and all these things shall be added Unto you. (Matthew 6:33)

What takes first place in your life determines your placing in life.

What Value do you place on God and His word? How do you rate His instructions to you, what amount of time each day do you allocate to the things of God? Dear reader this is what you should know...that God is not a user of people but a raiser of people. God's agenda for your life is to raise you to an enviable position in life. His plan is to make you a city set on a hill that cannot be hidden according to Matthew 5:14.

You see my friends, the Bible says God formed you to show forth his praise (Isaiah 43:21). He created you for His purpose and we know that His plans for you are of good and not of evil (Jeremiah 29:11). The responsibility now lies on us to seek forth His kingdom and it's righteousness and all we seek will come to us! Matthew 6:33 There is healing in salvation, joy in soul-winning, fulfillment in preaching the gospel, rejoicing and peace in giving. There is life when you live it for God and His will and Purpose for you. You find yourself when you live for him ,you discover your uniqueness, you find potential when you go out on His assignment. (Luke 17:33)

The question now is how far are you willing to go for God, because it is in him you find yourself. Acts 17:28 says for in Him we live, and move and have our being. How disciplined are you to prioritize your activities to please God and have a blessed life? It starts with a step. You can't be on His assignment if you are not recruited into His kingdom!

If he doesn't exist in your life, His purpose, His plan, His assignments will not seem relevant or important to you. The disadvantage of not having Him in your life is that on earth you'll fail to achieve your true purpose and worth despite all your achievements or otherwise and in the eternity, the reality of Hell fire will be before you.

Why don't you welcome Him into your heart and life today? Can you afford not to discover your real worth and real potentials? Give God a chance to make you who He wants you to be and who you want and need to be. Say this prayer below

Lord Jesus, forgive me my sins, come into my life as my Lord and personal saviour. I open up to you lead me forward ever and backward never. Thank you Jesus for saving me as I yield total control of my life and will to yours. In Jesus name! Amen

If you said that simple prayer, He heard you and answered you and now lives in you. Study your Bible daily and practice His words, remain prayerful as you attend a bible-believing church and make out time for His pleasure. Share the word of salvation with other people. God bless you. Amen
