

TELL THE

WORD

One of the most fascinating. And praise worthy sites I saw today was a man, standing by the side of a very busy road close to where I reside and was preaching the gospel with a microphone, I could hear the sounds from his microphone more than 20 feet away. He was practically preaching repentance, salvation and rapture with boldness from His heart. I couldn't help but muster a silent but certain "God bless this man" from my heart.

It was thrilling to know the Gospel is still being spread in the rugged form as in the days of Jesus and the apostles, where towns were taken over by Jesus for people to hear the word. This is a responsibility for Christians, as the apostles said "we cannot but speak of the things which we have seen and heard (Acts 4:20). That is the life of a Christian, to tell the world of His or Her relationship and encounter with Jesus and testify of these.

That's why the book of Mark 16:15 says " And he said unto them, Go ye into the world, and preach the Gospel to every creature.

The question I want to ask is how many Christians actually do this? It is our primary duty to tell the world about Him.

Therefore if your heart Convicts you and you don't want to continue living with the title of a Christian without responsibility, or you haven't known about Jesus and welcomed him into your life and you want to do so now, say this prayer

Lord Jesus forgive me my sins and my irresponsibility, have mercy upon me I dedicate my life to you, come into my life as my Lord and Saviour, now and forever in Jesus name.

Congratulations if you prayed that prayer. Now go and join a church that believes the bible prays well and will encourage your evangelism and soul winning for God's Kingdom

God bless you. Amen!
