

## THE UNPROFITABLE SERVANT

Imagine you worked for a company and after undergoing several years of training and monitoring and also engaging in assignments for the company, the company sends you letter stating that, it has endured with you on its staff strength for all these years and has finally reached a period where it can no longer continue with you as it finds you unprofitable. At the end of its letter is an order from the management directing your ejection from the office and asking you to return all property of the company in your possession including the house and car it gave to you and then leaves you stranded with no other job at hand!

What will you do? Of course you'll begin to ask yourself where you got it wrong in your service to the company, you'll begin to look for where and when you underperformed but then it would be too late as you would have been cast out into "outer darkness".

We were made in the image and likeness of God, if earthly systems can operate in this manner, how much more God, in whom we generate our origin from?

Summary is, if we are unprofitable to God we would be cast into outer darkness: there shall be weeping and gnashing of teeth. ( Matthew 25:30)

Is your life profiting the kingdom of God? The creator of the earth does not waste resources or people rather he desires we serve him with all our heart and soul (Deuteronomy 10:12)

Are you serving God, is your life profitable to Him, or are you like the unprofitable servant that is about to be cast out into darkness? Search your heart and it will give you the answer. You know yourselves.

If you are cast into outer darkness, it means being cast into a place of eternal rejection, regret and sorrow Where their worm dieth not, and the fire is not quenched. (Mark 9:43-46)

Dear reader the time is short, we are closer to the end of this world than when we first began, we do not have much time anymore available until the son of God, Jesus, comes back to take His people to eternal bliss and serenity.

Dear reader the time is short, we are closer to the end of this world than when we first began, we do not have much time anymore available until the son of God, Jesus, comes back to take His people to eternal bliss and serenity.

Then He would say, Well done, thou good and faithful servant: thou hast been faithful over a few things, I will make thee ruler over many things: enter thou into the joy of thy lord (Matthew 25:21) to those whom are faithful and profitable to the Kingdom of God.

The time to make your ways right is still available. If you have not given God His place in your life, if you have not utilised the time and resources He has given you on this earth to His glory, if you have lived for yourself the way you pleased and desired, you may be an unprofitable servant that may be cast into outer darkness. You may be on your way to hell for eternity!

Say this prayer now while there is time, grace, mercy and forgiveness.

**Dear Jesus, I am sorry for the way I have lived my life. Please come into my life and be my Lord and Saviour, have mercy on me. From today I choose to live for you now and forever as you give me the grace. In Jesus Name. Amen.**

Its that simple!

But you must work out your own salvation with fear and trembling (Philippians 2:12) by daily Study of the Bible and prayer and living by His commandments, fellowship with the brethren, walking in love and telling others the good news of Jesus Christ.

God richly bless you.

I pray that you would receive grace to daily live for God, above sin and the limitations of the devil. I pray that the yoke of sin breaks now over your life and may God give you boldness to live for Him. In Jesus name. Amen!
