

WHAT MATTERS MOST

Just as at the day's end we reflect on what transpired during the day and pay particular attention to what we feel was of utmost importance to us during the day, so it is for our lives.

For one day we shall all know what mattered most in our lifetime. No one will live forever, everything that has a beginning has an end, likewise every life that started must end someday - by death or the events of the rapture.

At the end of our lifetime, we shall all see what matters most- and hear this, it is not the money we acquired, or the friends we made, or the houses we built, or the cars we bought. It is not about any material thing or possession, it is about what we did with our lifetime on earth - of which the most important record will be if you gave your life to Jesus Christ, the author of life and salvation. Did you consciously live your life to please God, by your acts of righteousness and love or did you trade in wickedness and sin?

The Bible - the Living Word of God, tells us that that no unclean thing will have a place with Him. Right about now, Jesus, the son of God who died for your sins, is still creating mansions in heaven for those who have their lives in Him, those who passionately serve Him and those who have abhorred sin and wickedness.

Jesus is still calling you and doling out salvation to as many as will receive His invitation. Because He has told us that those who come to Him, He will in no wise cast out. (John 6:37) Jesus loves you!

Say this short prayer to receive salvation now in Jesus, for it is the most important record of your life, if you live it righteously afterwards and depart from sin.

Dear Lord Jesus Christ, I am sorry for my sins, I confess all my wrongs and guilt before you. Have mercy on me, come into my life now as my Lord and Saviour now and forever more. In Jesus name.

Congratulations, the yoke of sin is broken in Jesus Name!!!
Attend a church that believes the bible as the Word of God, and do not fail to live without sin, through the help and grace of God. Say no to the temptations of the devil and flee from iniquity. Do not also fail to win souls for God. It matters as well!
