Little One*

Welcome to the World Little One

God planned the smallest detail on the day He formed the earth. And, just as carefully, He planned each detail of your birth! He knew the color of your eyes, the texture of your hair, and what characteristics you would have.

He has special plans for you, Little One, that are as unique as you are! He will have His hand upon you as you grow. He considers you a Rare and Priceless Treasure!

He has given you very special talents that only you have, Little One. So, as you grow up and learn about Him and praise Him for His Goodness, may He bring fulfillment and joy to your Little Heart and make each day a Beautiful one!

He loves you, Oh, How He loves you!

Happy Birthday!
