

What God has done for me, He will do for you!

I grew up in a home that today would be would considered condemned.

My brother had cancer and most of the money mom and dad made went to getting him treatment.

As I got older I started to smoke. By the time I turned fifteen I was smoking full time and had started to drink.

By the time I was nineteen I was out of control.

I had lots of friends till the money ran out. Many times I woke up the next day and had no idea where I'd been or what I'd done.

It's an awful feeling.

Then one someone told me about about Jesus and invited me to church.

What God has done for me, He will do for you!

I told them the roof would fall in if I walked into a church. Then one day I went to church with them.

Not only did the roof not fall in, but I found JESUS!

It was the best day of my life.

The high I get from Jesus is far more better than the one I got from booze and it don't cost me a dime. (plus I don't have the hang overs!).

He will do the same for you.

All you have to do is ask.

Won't you make this the day to fill that void in your life?

pray....

Dear Lord I am sinner, please forgive me of my sins. I now know you died for my sins.

Come into my heart. Lead me and guide me the rest of my life. Use me to do your work. thank you, amen
