

WHAT'S IN YOUR HOLY BIBLE?

But man's delight is in the law of the Lord; and in God's law doth He meditate day and night.
Psalm 1:2 and Ps. 119:97

"Most people don't know what is in the Bible," said the minister on his visit to the Kay home. I know what's in the Bible said little Karen Kay.
"You do?" asked the pastor.
"Tell me, Karen, what's in the Holy Bible?"

So, Karen told him; "Mommie's ticket for a turkey, and one of my baby curls, and a dried-up flower is in it!"

Do you think Karen knew what is in the Holy Bible? No, she only knew some THINGS that were in her mother's Bible. But she didn't know that God's Word is in the Holy Bible and that the way to life with God is within it's pages.

We can't find out what is in the Bible just by having the book, and putting things into it. God's Word has to be learned, and a person has to think about what it says."

Long ago a man who loved God said, "I think about God's Word all day long." Do we think about what God has told us in the Bible every day; all day long; at different times of the day?

To be able to think about God's Word by ourselves, we have to know what it says. That's why we need to read and study the Bible and think about God's Word every day. The very best Bible is the Authorized King James Bible. He or she can also have someone teach them a Bible verse. Children who can read easy words, but not yet the Bible, can read a Bible story book or a children's devotion book, and can think about what it says.

As soon as a person can read the Bible by himself, he ought to do it every day. Those who do so learn to know what is in their Holy Bible. They learn that God hates and punishes sin. They learn how they can have God's love, and they learn how to live with God as His children.

Such things are worth thinking about very often every day!

QUESTIONS TO TALK ABOUT:

What did Karen say was in the Bible? What did the minister mean when he said, "Most people don't know what's in the Bible?" How can even little children find out what is in the Bible? What have you learned to know from the Bible? Why is it good to think about God's Word all day long, and have it in your mind and heart?

BIBLE READING: Psalm 1 and 119, verses 97 thru 105.

OUR PRAYER: Forgive us Heavenly Father for knowing so little about what You have told us in the Holy Bible. Teach us to be daily Bible readers, and help us, so that we will gladly think about Your Word all day long every day, and have it in our heart and mind.

WE ASK THIS, IN JESUS NAME. AMEN.
