

## WHAT TO CONSIDER BEFORE ABORTING YOUR BABY

And it is a baby even if it only consists of blood and cells at this time!

You have found out that you are pregnant and for whatever reasons you have you feel that you need to end the pregnancy.

You have been told that your body is your own and you can do with it what you want. But consider what the Bible says.

1 Corinthians 6:19, 20 "What Know ye not that your body is the temple of the Holy Ghost which is in you, which ye have of God, and ye are not your own?!"

Ye were bought with a price, therefore glorify God in your body, and in your spirit, which are God's!

Romans 14:7, 8 "For none of us liveth to himself, and no man dieth to himself."

"For whether we live, we live unto the Lord; and whether we die, we die unto the Lord: whether we live therefore, or die, we are the Lord's!"

Ezekiel 18:4 "Behold, all the souls are Mine! as the soul of the fathers so also the soul of the son is Mine: the soul that sinneth shall die!"

The cells of a first begun pregnancy are the cells of a human being; precious, innocent, helpless! Jesus tells us not to look down upon the least powerful and significant human beings.

It is ironic that the most helpless humans are those inside the womb. Of the risks we must face in our lives, the most dangerous place we can be is in the womb!

The Holy Bible is full of examples of how precious life is to God and that He knows us before we are born! I believe that He made our spirits in Heaven and then formed us in the womb when He wanted us to be born.

Zechariah 12:1 "God" forms the spirit of man within him!

We are all born for a reason and God has a purpose and a plan for our life. No matter what the circumstances are of our birth we are meant to be!

Whether it's because of our being born out of wedlock, or as a result of incest or rape, or even if it endangers the life of the mother.

We have no right to destroy the life of an innocent child. It's up to God what happens to a fetus and not us!!

If a mother's life is in danger she must ask Jesus to take the child if it is His Will.

Taking a pill the morning after you have had sex is also wrong. You may have conceived a child!

Getting back to more of what the Bible has to say:

Leviticus 17:11 says "For the life of the flesh is in the blood."

Genesis 9:6 "Whoever sheds the blood of man, by man shall his blood be shed; for in the image of God made man."

We are made in the image of God right from the womb.

This is what God says about shedding innocent blood: "These six things doth the Lord hate: yea, seven are an abomination unto Him: A proud look, a lying tongue, and hands that shed innocent blood! Does that put you in mind of an abortionist?"

Proverbs 6:16, 17

Abortion is murder! The Bible says, Thou shalt not kill!

Just as Abel's blood cried from the ground, an aborted baby's blood cries for justice from the ground to God! Of course if you have already had an abortion and have asked Jesus for forgiveness, you will be forgiven and the baby is no longer crying for justice.

The Lord said these words to Jeremiah: "Before I formed thee in the belly I knew thee; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations." Jeremiah 1:5

Psalm 139:13-16 says, "For Thou didst form my inward parts; Thou didst weave me in my mother's womb. I will give thanks to Thee, for I am fearfully and wonderfully made; Wonderful are Thy works, And my soul knows it very well!

My frame was not hidden from Thee, When I was made in secret. And skillfully wrought in the depths of the Earth.

Thine eyes saw my unformed substance, and in Your Book all the days (of my life) were written before they ever took shape, when as yet there was none of them."

God talked about King Cyrus in the Bible 150 years before he was born!

Acts 5:29 says we are to obey God, rather than man!

Life is one of God's greatest gifts to man! Life is to be cherished and celebrated—not destroyed!

It is God Who gives and takes life. Man should not attempt to interfere with God's plan!

An abortion can ruin the rest of your life! I had an abortion when I was 25 and from then on my life was never the same. I was ashamed and I felt dirty and guilty, and even though I buried it for many years, it was still there affecting my life, and I thought it was too bad to even ask forgiveness for. When I finally did ask for forgiveness I couldn't forgive myself. I didn't see how I could ever forgive myself for not giving my baby a chance to live and experience life and find Jesus and all the rest that comes with that, and living.

When I went to a pregnancy center to help encourage other girls not to have an abortion, my story came out at my first visit and they helped me really press in with Jesus and be able to receive in my heart that wonderful forgiveness I needed.

Recently, I saw a girl on TBN Television who was telling her story of how her mother had aborted her and how she was saved. She was telling everyone how thankful she was at having to have a chance to live and have a good life. She has a wonderful husband and two wonderful children! She would have had none of this if her mother had succeeded in killing her as a result of her abortion.

Thank goodness they didn't kill her after she came out!

In most abortions they kill the baby before it comes out.

When thinking about an abortion, please ask yourself: What if it had been ME and I wouldn't have had a chance to live and have a life?

Even if you aren't too happy with your life right now. It is a very precious gift...the gift of life! One to be taken care of and not destroyed.

One in which to find Jesus and follow Him in what His Will is for your life.

He loves you more than you can ever fathom in your mind!

He knows what's best for you and it's written in His Holy Word not to kill.

He says "Come to Me all ye that labour and are heavy laden and I will give you rest! Take my yoke (join with Me), and learn of Me; for I am meek and lowly in heart: and ye shall find rest unto your souls:

For My yoke is easy, and My burden is light!" Matthew 11:28-30

Bring all your problems to Him and griefs and sorrows and He has promised if you will give them to Him, He will carry them for you; because you aren't designed to do it yourself. We need Jesus to help us with our life. It's very important that we ask Him!

And trust in Him with all of your heart and listen to what the Bible says about how precious life is, and please do the right thing! Don't take life...preserve it!
