

WHEN A MAN'S WATCH STOPPED

Jesus said, "If ye continue in My Word, then are ye my disciples indeed; And ye shall know the Truth, and the Truth shall make you Free!"
John 8:31,32

"I have plenty of time to catch my train," said Mr. Butler. So he sat down and read the paper. A little later he looked at his watch again. It was still the same time as before.

"Oh, oh," he said, "My watch stopped!" Then he hurried to get to the station. But before he got there, the train pulled out. So he missed the train because his watch told him the wrong time when it stopped running.

Some people miss life with God and Heaven because their religion, and/or mind tells them something wrong. And that's a lot worse than missing a train. How can we know what is the Truth about God and Heaven? Jesus said, "If you continue in My Word, you will know the Truth, and the Truth will make you Free."

We have family devotions because we want to stay with Jesus. We study the Holy Bible to learn more about God and what He said in His Holy Word about how we should think and act. We also go to church to hear and learn, too.

It is very important to continue believing what the Holy Bible says, because the Holy Bible is the Word of God. It tells us what Jesus wants us to believe, and it is the Truth! Whoever tells us something different is wrong, because Jesus is always right! He can't be wrong...He is God!

What does the Holy Bible say about God and Heaven? It says, "Believe on the Lord Jesus Christ, and you will be saved." It says we get to Heaven by trusting that Jesus will take us there. It says that "Christ died for All."

It says "The blood of Jesus, God's Son, cleanses us from all sin."

When Jesus suffered and died, He paid for our sins, and those that believe this receive His forgiveness.

The Holy Bible also tells us what is right and wrong. It tells us how we can please God. And it is all true. If we don't keep on believing what the Holy Bible says, our Christian faith Stops.

Then, like a watch that has stopped, our mind begins to tell us wrong things. To keep from missing the train to Heaven, let us continue to hear, and read, and study, and believe, the teachings of Jesus, and all of the Holy Bible. Then we will know what is True. We will know the Truth, and the Truth will make us Free!

Bible Reading: 2 Timothy 3:14-17, 1 John 1:9, Romans 10:9, 10, 13, Romans 5:9, Ephesians 1:7

LET US PRAY:

Dear Jesus, please help us to keep on studying, and learning, and believing your Holy Word, and bless our reading of the Bible, our family devotions, our church, and anything that helps us to know the truth about life with You. Please keep us from ever believing any teachings that are not true, so that we will not miss being with You now and forever! Amen.
