

## When the Judge is Your Friend

Jesus is the One chosen by God to be the Judge of the living and the dead.  
Acts 10:42

“And I don’t want you ever to do that again” said the angry policeman, “or I’ll bring you before Judge Horn, and he will be rough with you!” Most policeman are friendly, but this one wasn’t. Danny was sorry that he crossed the street when the light was red, but he said to himself, “The judge won’t be rough with me; he comes to our house often, and he’s my friend.” That is why he wasn’t afraid of the judge, and that’s why the policeman’s words didn’t frighten him the way they would have otherwise.  
The Bible says, that Jesus was chosen by God to be the Judge of the living and the dead.

Jesus is now the Ruler of the world. (But we all have the choice whether to do good or evil) He is the One who will decide whether or not a person must be punished for what he does wrong. He is the Judge before whom everyone will have to stand.  
But if we have repented of our sins, giving our lives over to Jesus for Him to love us, and help us obey Him and His Holy Bible...we need not be afraid.

And we can say, "I'm not afraid of the Judge. He's my Friend and Savior...He loved me so much that He died for me on a Cross." The Judge of the world died on the Cross to pay for our sins, and He rose again the 3rd day, and has gone to Heaven with His Father.  
Isn't that a good thing to know? Even the devil can't scare us when Jesus, our Judge is our Friend.

Let's not forget to thank Jesus often for that, and keep that always as a great assurance and comfort in our hearts, even when we sin, we can come to Jesus for forgiven, and He will always forgive you right away and you will know that you are forgiven. It is very important to "accept" His forgiveness, or we will go on feeling guilty.  
Scriptures:  
"Therefore being Justified (made righteous) by Faith, we have Peace with God thru our Lord Jesus Christ." Romans 5, verse one.

"We walk by Faith, and not by sight." 1 Peter 5:7  
Meaning we don't go by our feelings or what we see, but by reading, believing and knowing what the Holy Bible says.
