

YOU NEED JESUS

Are you trying to make a good life for yourself? You're doing your best but something seems to be missing, and you can't figure out what. Do you just seem to be spinning your wheels and getting nowhere?

Are you looking for answers but you have no idea where to look and what you have heard of "Religion" turns you off at just the mention of it? So called "Religion" won't get you anywhere but down the wrong road. You can be "religious and lost!"

What you need is to meet Jesus and start a Real Relationship with the Author of your Salvation! He is the Way, the Truth and the Life. John 14:6

He will meet you at the point of your need. You can start a wonderful relationship right in your own home, friend. All you need to do is to invite Jesus into your heart and into your life and give to Him your life to lead you from now on. That's a wonderful start!

Jesus makes it so easy to come to Him: He's always available to come to you and be there with you, He's never too busy! He always has time for you...friend!

He wants to hear every detail of your life and He wants to help you. He died on the Cross for your sins so that you can do that very thing! And He is eager to hear your voice lifted in prayer and praise to Him, or just talking to Him sincerely.

I invite you to make an important decision; Decide to Live for Christ and live His Way instead of trying to figure out your life without Him.

Who can you Trust with your life?

JESUS is that person and He will guide any surrendered heart to Him, and He will help you stay faithful to Him and His Word; and He expects you to put in your time and effort also. Did you know that He has a Special Plan for your life that He wants you to fulfill? Isn't that exciting? And it's the best plan for you.

If you decide to follow Him, He will help you find and accomplish what he has for your life. And I guarantee it will Bring you much fulfillment and happiness and peace in your life as you go along in life obeying His Holy Word as a reference for learning and guidance and comfort.

That's the KEY my friend to finding your way in life! Without the Holy Bible to guide us we are like a ship without a rudder, or trying to sail it without a compass. Without it we are tossed by the wind on the seas of life and we don't know the Right way to go, and think and act that is pleasing to the Lord. "That we henceforth be no more children, tossed to and fro, and carried about with every wind of doctrine, by the sleight of men and cunning craftiness, where they lie in wait to deceive." Ephesians 4:14 Being on the Right Path is Vital for our Life and for our well-being and also where we end up after we die. Reading and knowing our Bible prepares us for Heaven, also.

And most importantly! To be ever mindful of obeying these two Commandments on which all the other Commandments hinge.

"Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind, and with all thy strength!

"And to love thy neighbor as thyself." These are the two Greatest Commandments!

If you do these two things...you will naturally obey the rest of them. Mark 12:30-31

I'd like to share some important scriptures with you now:

"Enter ye in at the strait gate: for Wide is the gate, and Broad is the way, that leadeth to destruction, and many there be that go in thereat."

"Because Narrow is the way, which leadeth unto life, and few there be that find it." Matthew 7:13,14

It can be difficult to stay on the right path at first, but if we really apply The Word of God to our hearts and minds it will get easier and easier.

Further:

Again, Jesus said, "I am the Way, the Truth and the Life: no man cometh unto the Father but by Me." John 14:6

Jesus said, "If ye LOVE Me, Keep My Commandments."

"If a man love Me, he will KEEP My Words: and My Father will love him, and we will come unto him and make our abode with him."

"He that loveth me not keepeth not my sayings." John 14:23

If you would like to start a wonderful relationship with Jesus now, and sincerely want or think you want this lovely Jesus in your life, you can get down on your knees and open your heart and tell Him something very similar to this:

Dear Lord Jesus,
I very much want to have You as my own Lord and Savior today...I believe that you died on the Cross for my sins. I know that I am by nature a sinner and I need your forgiveness for my sins. Please come and forgive my sins and make me your child so that you are my Savior and Best Friend...Lord, Change my heart and help me live the way you want me to. I promise to follow you the rest of my life and obey what your Holy Bible says. Amen.

The KEY, again is to love Him more than anything or anyone else and to obey His Holy Word...and you will be on the right path, and you will Stay on the right path, if you continue to be in The Word of God reading, studying and pondering on it, as often as you possibly can, and asking Him to help you to be faithful to it, and also to help you understand what it means. Always ask Him to help you with everything...that is so necessary to do!

If you are reading the best one; the only pure, unaltered Holy Bible, the Authorized King James Bible, you will find that after you get used to reading it, it is easy to understand and very beautiful! And you can get more meaning out of the verses the more often you read them.

That's what's unique about the King James...not New King James. That has been messed with and is not accurate as well as all the other versions.

You might say well what do I get out of reading and knowing my Bible?

Like I said, you will learn how to act and to think and get the most out of life that extends to the next life, too! You will take what you learned to Heaven with you!

Your Bible was given to us by God to use...not to sit there on the table or on the shelf. That was a vital reason God gave it to us to be even as important as our necessary food for our nourishment...like having staples in our kitchen, we keep our minds and hearts stocked up with the Word of God. We store it in our hearts!

Then we would KNOW the Way and we don't have to wander around not knowing what is true and what isn't true. All the answers are there in your Bible. It is understood with the Holy Spirit's help. Do ask Him often to help you understand what you are reading.

If you read it with a hungry heart and believe it...you will be very surprised how you come to know so very much about things. It's the Book for Life!

If you Know your Bible you will Know the Way, and you can't be deceived by your own opinion or worldly opinions. You will know what God's opinion is!

Because we forget so easily we have to be in your Bible daily to keep renewing our minds with the Word of God or it will gradually slip away...you might not even notice, but it guaranteed to happen when you don't keep the Word of God as if it's the apple of your eye.

Make a point to fall in love with the Word of God, friend...ask Jesus to help you do that, and He WILL, but you have to cooperate too.

Romans 12:1,2 says: "that ye present you bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service."

"And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is good, and acceptable, and the perfect Will of God."

And we should walk in Newness of life:"Therefore we are buried with Him by Baptism into death: that like as Christ was raised up from the dead by the glory of the Father, even so we also should walk in newness of life." Romans 6:4 We can't trust our own thoughts and feelings about things...than we will be wrong. If you stick with what the Bible says you can't go wrong!

I challenge you...Just start Reading and pondering on your Holy Bible for say two months and see if it doesn't start to change the way you think, and your perspective on life, and you fall in love with it more and more! I will be so bold as to say that, you will get so that you won't be hardly able to wait to get where you can sit down and read it again and again. The Word of God is so ALIVE! It's still vital and for this day also, friend! Jesus is the GOD OF NOW! He is the SAME, YESTERDAY, TODAY, and FOREVER! Hebrews 13:8

About the Word of God:

"For the Word of God is quick, and powerful, and sharper than any twoedged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart." Hebrews 4:12

Please read that verse over slowly and carefully. It made quite an impact on me when I did.

His Word will open up your mind and pour good and healthy, life-giving things into it and you will replacing all your old negative thoughts with what God's says about you and not what the world says. When you read the Word of God you are reading something ALIVE and it is a Life Changer.

Your Bible will feed and nourish you and bring you healing and comfort to your body, soul, mind, and spirit.

That's what a person longs for more than anything. It will fill the Empty Spot God has put in you ...your inner longing that you can't fill without Jesus to fill it. This is the ONLY place to find the FOOD you so desperately need, to fill you up and nourish you...in the Pages of God's Living Word!

I invite you to delve in and start a wonderful journey with the Lord at the helm and let Him guide your vessel! He loves you more than you can ever imagine...He is your Best Friend and your Savior if you let Him in! He is the Friend that sticketh closer than a brother, Proverbs 18:24, and HE will Never Leave You, nor forsake you! Hebrew 13:5

He said, "Behold, I stand at the door and knock. If any man hear My voice, and open the door, I will come in to him, and will sup with him and he with Me!" Revelation 3:20

Jesus is knocking and wanting you to answer, friend!

He has a wonderful journey all mapped out for you if you will be faithful to Him and not give up and go back to your old ways. All you have to do is answer His knock...and surrender your life to Him and follow Him by knowing and obeying your Holy Bible. If you don't know it, you won't know how to obey Him or how to live your life. If you live the Bible Way you will be living a God pleasing Life. Jesus will be so very proud of you!

The choice is yours...Choose Life and peace and contentment knowing that your Heavenly Father is taking care of you
